

Ladies' Rings.

One very strong point in our business—perhaps the strongest—is Ladies' Rings.

We pay special attention to this line and consequently show the largest and choicest collection to be found in Canada.

Diamonds, Pearls, Emeralds, Rubies, Sapphires, Opals and Turquoises set singly and in combination in all the newest and most approved styles.

The values, too, are exceptional and are made possible only by purchasing all diamonds personally in Amsterdam.
