Out of Service.

(Rochester Times-Union.)

The young housewife, looking very pretty in a big green overalls, was cleaning out the pantry cupboard.

"Dickie," she called to her young husband, who was smoking in the spick and span little drawing room, "I want you to bring me a mouse-trap home tomorrow."

"But, angel," cried the young man, "I brought you one home only yesterday."

"I know, pet," called back the young hride, "but that one has a mouse in it."

DUNCAN G. LINGLEY,

Keep Cool

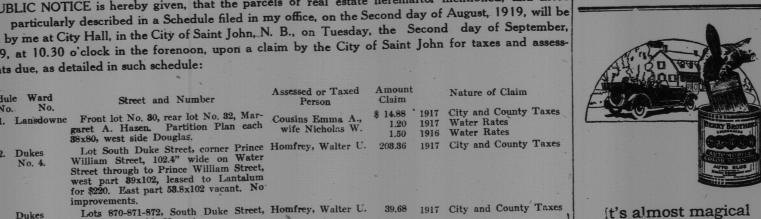

scruper waves fooded adjacent islands and holled half way around the earth. Every human ear drum heard, though it may not have registered, the air waves as they ubrated three or four times around the earth.

An ill than Klot, because of its islands from Krakado's eruption were at far distant points by drowning.

"An eruption anywhere on the island means disactors of the chief of population of the Empire state and the population for the Empire states in the four other most population greater than the combined population of the Empire states in the four other most popular manifests itself with varing degrees of intensity, but in well marked cases the attack is commonly preceded by some amount of diarrhoese which gradually increase supply palain in a secompanic The discharges from the bowels such as the state of the continued o

Winnipeg, Aug. 7—At the strike leaders' trial here yesterday direct evidence that the city police stood by and watched the strikers on the first day of the strike while they deliberately maltreated eitizens on their way to their work, trespassed and destroyed property, was given by A. A. Riley, manager of the Canadian Bread Company.

B. B. Graham, crown prosecutor, said that the police were permitted to remain on duty by the strike committee but could have been called out at a moment's notice, and at the break of the trouble in Winnipeg they were not subspace of the canadias' Skirts in black or navy. Special \$2.50 each.
