WHY GERMANY WANTS FRENCH ORE FIELDS

Home Supplies Are Limited and Misgivings Are Entertained Regarding Post-war Imports

Amsterdam, Netherlands, Feb. 14.—(Correspondence of the Associated Press).—The fact that Germany's home supplies of iron ore are limited, coupled with misgivings as to difficulties of post-war imports, is believed to be at the bottom of the clamor in Germany for industrial circles for the possession of the ore fields in "Naboth's vineyard" just across the French border—the basin of Briey and Longwy.

Professor K. Hager, the new rector of the Munich Technical High School, in a paper read the other day before King Ludwig of Bavaria and a distinguished audience, told his hearers that the ore supplies of Germany would only hold out 66 years longer at the rate of the present annual output of 19,000,000 tons. This is without taking into account the imports, which before the war averaged 18,000,000 tons annually.

As for coal, of which Germany uses 157,000,000 tons annually, there are supplies for the next 20 years, the professor said. He added that Germany had three times as much iron ore as England, and double the amount of coal.

To deal with the iron situation after the war, Professor Hager made the following suggestions: (1) to acquire foreign ore fields; (2) to raise the importation of foreign ore by means of tariff regulations; (3) to reduce exports of iron and also old iron; (4) to make the trade in old iron a state monopoly; and (5) to reduce the iron consumption in Germany itself to a minimum.

To attain the latter end, he urges the use of ferro-concrete, wood, china and cement articles wherever possible instead of cast iron, while it would also be advisable to perfect the present methods for preventing rust.

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

If Feverish, Bilious, Constipated, Give Fruit Laxative At Once

Don't scold your fretful, peevish child, for if tongue is coated, this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food pass out of the bowels and you have a well and playful child again. Children love this harmless "Fruit Laxative," and mothers can rest easy after giving it, because it never fails to make their little "sides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

"Pape's Dispepsin" Ends All Stomach Distress in Five Minutes

Wonder what upset your stomach—what portion of that food did the damage—do you? Well, don't bother. If your stomach is in a revolt, if sour, gassy and what you just ate just sits in your stomach, if you feel bloated, head aches and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Dispepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today "know that it is needless to have a bad stomach. A little Dispepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal lunch without rebellion, if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Dispepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your peace, don't go on and on with a weak, disordered stomach; it's so unnecessary.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and Head-Cold-Disorder

You feel fine in a few moments. Your old head or catarrh will be gone. Your clogged nostrils will open. The passages of your head will clear and you can breathe freely. No more dullness, headache, no yawning, sniffling, no more colds, no more catarrh, no more trouble for breath at night.

Tell your druggist you want a small bottle of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head, soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.

Always Had Headaches

Liver Was Torpid and Bilious Spells Brought Sick Headaches—Last Much Time, But is Now Completely Cured.

Here is convincing evidence that however much you may suffer from liver trouble and consequent biliousness there is cure in the use of Dr. Chase's Kidney-Liver Pills.

Dizziness is the most common cause of sluggish liver action. You lose your appetite, have distressing bilious spells, usually accompanied by nausea, vomiting, the bowels become irregular, constipation and looseness alternating, digestion is upset and you get irritable and downhearted.

No treatment so quickly awakens the sluggish liver and bowels as Dr. Chase's Kidney-Liver Pills. For this reason this medicine is wonderfully popular and has enormous sales.

Mr. Charles R. Tait, Newtown, N. B., writes: "I was nearly always troubled with headaches, and would often have to stop work for a day or two. I lost many a night's sleep every month with bilious sick headaches, and although I tried doctors' medicines, and also many other patent medicines, it was without success. When I had these headaches I purchased a box of Dr. Chase's Kidney-Liver Pills from G. M. Fairweather, druggist, of Sussex, N. B., and after taking one box I was so much relieved that I continued to take them until I am now completely cured. My advice to anyone suffering from sick headaches is to try Dr. Chase's Kidney-Liver Pills and be completely cured."

A. S. Mac, J. P., endorses the above statement, and says: "I am personally acquainted with Charles R. Tait, and believe his statement in every way to be true and correct."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 98 cents a box. All druggists, Eastman, Bates & Co., Limited, Toronto. Substitutes will only disappoint. Get on getting what you ask for.

"BEST MEDICINE FOR WOMEN"

What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.

Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and so much at times I could hardly get around to do my work, and as I had four in my family and three boarders I made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best medicine for women's ailments I ever saw."

Lydia E. Pinkham, No. 1, Portsmouth, Ohio.

Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did.

Women who are suffering as she was should not drug along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its forty years' experience is at your service.

Cold Winter Coughs Now Easily Cured

A New Remedy Now Cures Without the Use of Cough Syrups or Drugs.

Just think of it—you can clear away that hard, racking cough, drive it completely out of the system, make your self perfectly well by the new breathing cure that employs no medicine at all. You wonder how; very simple, indeed; you simply breathe in through a Catarrhose Inhaler rich balsamic essence that heal and soothe away the cough in a few hours' time.

In using Catarrhose you bathe the lining of the nose and throat with that powerful antiseptic of the Blue Gum Tree of Australia, which is probably the sweetest cold and cough cure in the world today.

Frederic E. Cronwell, writing from Medicine Hat, says: "To cure a sneezing cold in about ten minutes the one thing I know of to do is Catarrhose. To relieve an irritated throat quickly, nothing can excel Catarrhose. It simply cures a cough or cold of any kind. I know of colds that have hung on for months that Catarrhose cured quickly. Nearly every man I know carries a Catarrhose Inhaler with him day and night, and in this country it makes a wonderful protection against all winter ills."

Get the dollar outfit, including the hand run inhaler, and medication to last two months; medium size 50c; sample size 25c, at all storekeepers and druggists, or The Catarrhose Co., Buffalo, N. Y., and Kingston, Canada.

Soldiers Are Given Historic Ball-Room

Government House at Fredericton, Where King Edward Danced as a Prince, Becomes Hospital

Romance in these days is at best merely by-product. The old government house at Fredericton had been the scene of a great romance in the honor of the late King Edward when he was the Prince of Wales did not hinder present day necessity from making a bid for the house as a hospital when the pressure of war came to bear.

Today, under the hands of efficiency experts and the contractors of the military hospitals commission, it has become a model military convalescent hospital with emphasis laid on its splendid equipment.

ment, and its memories forgotten. A hundred tales hang about it, bequeathed by the mothers who were gay belles in King Edward's youth but only one is mentioned, and that in the light of comparison. The soldiers' recreation room was originally the ball room in which the prince danced. Then its walls were hung with brocade; today it is new with paint; tomorrow it will be heavy with the smoke of caked pipes and caustic cigarettes.

Beautifully Situated.

The additions and remodeling will be completed in April it is expected. The hospital is ideally located about a mile from the town. The building is surrounded by the natural beauties of a public park and in front, facing the quarters, is the wholesome and refreshing breeze from the water of the St. John river, which is a splendid place in summer for convalescents. There are three buildings each 215x450 feet, two of which are of two stories and the other one storey. The corridors, which connect all these three buildings, have little ante-chambers running off them, which can be utilized for various purposes. Another building with dimensions of 100x40 feet and two stories in height, will be used for vocational classes.

Bowling Alleys.

In the building will be installed an up-to-date bowling alley, and an auditorium that will seat 400 people.

The dining room, when completed, will seat 400 patients at one time.

The dormitories are large and airy and built to comply in every respect with the health condition and betterment of the convalescent soldier. In the building will be the quarters for the nurses, the administrative staff and the quartermaster's stores. The building will be heated by three seventy-five horse-power boilers.
