signs of growing prosperity, the fruit of returning confidence, everywhere discornible. In the hope that under operation of your wise counsels it may be strengthened by the hearty concord of all

my subjects, I recommend you reverently to the merciful care of Almighty God. Mothers! Castoria is recommended by physicians or children teething. It is a purely vegstable preparation, its ingredients are pub-lished around each bottle. It is pleasant to the taste and abrolutely harmless. It relieves constipation, regulates the bowels quiets pain, cures diarrhosa and wind colic

allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the nothers' friend, 35 doses, 35 cents. Mrs. Barry Holds On.

Mrs. Jane Barry lives near Mitchelltown in Ireland and her landlord, with the aid of the police, has been for a week trying to evict her. Her husband died less than a year ago. She cannot pay the rent and does inot propose to move, and as the house she occupies with her chil-dren is the once famed Castle of Mononimy, with walls seven feet thick, against which the battering rams of the police are of no avail, she bids the landlord and the road from Richibucto to Miramichi is bailiff's defiance. After hammering away at present in better condition than it has at the old castle with their ram for fortyeight hours, the police sent word to Mrs. Barry by the parish priest that unless she surrendered they would bring up a battery of artillery and bombard her fortress.

To this threat the widow replied they might do as they pleased, but she would George K. McLeod purchased at the ot vacate. As this occurred last Thursday and no artillery has yet made its apwas only bluster. The police have now to the Knight of Chester. The colt now settled down to a regular siege of the cas. tle, expecting to starve out the inmates.

Don't Trust Them. The ways of politicians are devices and

those of the St. John river politician are particularly heartless and crooked, as the following from the Gleaner shows:
"Mr. David Morrow had been a firm THE undersigned Revisors of the List of Electors of the Parish of Chatham entitled to elect Members for the House of Assembly for the County of Northumberland, being desirous that the name of no qualified person shall be omitted from the List, request that every person who is not assessed will forthwith furnish his full name, and occupation or addition, to any one of the undersigned, if he friend of Mr. R. D. Wilmot in the last Dominion election. His services were recognized as having contributed largely to the success of Mr. Wilmot. An appointment as guardian of fisheries for that

Is a priest or other Christian min-ister or teacher in charge of a congregation within the parish, or is a licensed teacher or pro-fessor employed in teaching in any school or college within the parish, or

Has been a resident of the parish for
