Will work perfectly, wear well and economize fuel.

The I. C. R. trackmen will convene in this city early in May for the purpose of placing a claim of wage increase before the management. The trackmen are much better paid than at any time in the past, but are asking for a still further increase, and Hon. H. R. Emmerson intimated to the trackmen sometime ago that it was his desire to see their wages increased at the close of the fiscal year. Mr. H. J. Logan will lay the case before the railway management in behalf of the trackmen.

WORCESTER, Mass., April 10—In averting a freight train on the Boston and Albany division of the New York Central R. R., not far from the Gardner street crossing at 6.30 o'clock tonight, two sisters, Blanche and Mary Derosier, daughters of Edward Derosier, stepped in front of an eastward bound passenger train and were instantly killed. The girls were returning from their work in a department store and walking along the track and had almost reached their home. The engineer of the express did not see the girls as they were hidden by the smoke and steam of the freight engine. Both were hurled forty feet and when their bodies were picked up it was found that each had sustained a broken neck.
