

ent to save his father, mother, and three sisters, all of whom were struggling in the water to gain the shore, but when the poor little fellow had the cruel misfortune to see his father, one by one, almost within his reach, an infant child, belonging to this family, was picked up alive, floating down the river on one of the fragments of the hurricane deck.

Dr. William Hughes, of the U. S. Army, (and brother-in-law to our estimable fellow citizen, W. H. Hughes, of the "Post-Office House") is doubtless among the staff who were known to have been on board, and some pieces of the military coat he had on were picked up among the fragments.

Mr. Powell, a highly respectable grocery merchant of Louisville, and brother-in-law of Mr. W. H. Hughes, of this city, is also supposed to be lost, as he was on board, and no tidings have since been heard of him, notwithstanding the active inquiries of his friends.

We are unable, as yet, to participate any other persons lost, as the boat sunk in about 15 minutes after the accident, leaving nothing to be seen but the chimney and a small portion of her upper works, and also a scene of distress and confusion immediately ensued, that altogether baffles description.

Most of the sufferers crossed the hands of the boat, and the survivors were rescued.

It is supposed that there were about TWO HUNDRED PERSONS on board, of which number one from 50 to 75 were believed to have escaped, and the estimated loss of lives about ONE HUNDRED AND TWENTY FIVE. Oh, tale of woe!

The accident unfortunately occurred through their imprudence and carelessness. The Captain of the boat was a stranger of showing off his great speed, as he passed the city, and to overtake and pass another boat which had left the wharf for Louisville a short time before. Doubtless he was paid for his silly ambition. The clerk of the boat was underpaid, and the boat was not properly manned.

These are all the particulars we have yet been able to learn.
