ITS MEDICAL HISTORY AND PROPERTIES

Are far the most important, more upon them depends its value to the community. Dr. Lawson says, that in 1799, it was so valuable in England, that it was cultivated from seeds. Ever since 1800.

PROF. IVES, OF YALE COLLEGE,

Has habitually used it with great success in Scrofula, and Chronic Diseases, and before him its virtues were made known mainly by Dr. Tyler says, 'it is now in this section (New Haven) a common article in domestic practice.' Dr. Parish, of Philadelphia, cutaneous diseases. Dr. Thomson, of Lancaster, of notoriety, while practising in Canada in 1812, learned its use in Canada, and on returning to England, he employed it in Cancer, and other diseases, when it proved greatly celebrated for the cure of Cancer diseases.

DR. PARISH, OF PHILADELPHIA.

Remarks that it has been successfully used in bad cases of Scrofulous Diseases.

DR. J. H. THOMPSON, OF THE SAME PLACE,

Prescribed it in bad cases of Scrofulous patients a Wells Hospital. His success attracted the attention of similar physicians, who recorded the following remarkable cases of White Swelling of the right hip, in February, 1844. The lad was seven years old, and had the disease for three years. The bone was dislocated upward and outward. There was a large opening on the hip leading to the bone, into which I could thrust my finger. I counted twelve ulcers. He had been under several physicians, who had given him up. I ordered a decoction of the Rock Rose. In two days his night sweats ceased; I then ordered a tea spoonful of the tincture of Rock Rose, three times a day. Thirty-nine days after he was entirely well.

An never failing cure for Coughs, Colds, Asthma, Shortness of Breath, &c.

The extraordinary celebrity which this simple, pleasing and effectual medicine has attained, may be seen by the following proofs, or certificates, all from persons well known:—

Mr. J. G. Sharp:—

Since you appointed me agent for the sale of your valuable Balsam of Hoarhound and Aniseed, I have been repeatedly informed by those who have used it, that it is without doubt one of the best medicines they have ever had, for the complaints in which it is recommended.

R. B. MARTHUR.

To Mr. J. G. Sharp—

Sir,—One of my children has been suffering for years under a severe Cough. The usual remedies were applied without effect. Having heard of Mr. J. G. Sharp's "*Balsam of Hoarhound and Aniseed.*" I obtained some, and after the use of about 8 oz., or one vial of this extraordinary mixture, the cure was complete.

J. G. CAMPBELL,
April 23, 1852, City of Saint John.

Mr. J. G. Sharp,

Had, a few weeks ago, a very bad cold. Being recommended to try *Sharp's Balsam of Hoarhound and Aniseed*, I got a quarter dollar bottle, and found it not only a pleasant but a most useful and effective medicine. It is pleasing to take, and a first rate cure.

PATRICK POWER,
April, 23, 1852, City of Saint John.

For the last sixteen years I have suffered from Asthma so bad that I was often obliged to sit in bed to prevent suffocation. I tried every means, during that time, that the usual or ordinary medicines could produce, but without effect, until I obtained some of *Sharp's Balsam of Hoarhound and Aniseed*, (which was recommended to me,) and after using two bottles, I found the relief so long sought for.
