File with Mr. Patterson's application
W.S. 20/98

Office of the
Commissioner of Indian Affairs,
North-West Territories,

Shovel Lake, 10th July 1880.

Sir.

I understand and
that Mr. Patterson, the Farming
Instructor at the Blackfoot
Cropping, Treaty 7, is willing to
retire if the Dept would consent
to pay his expenses home. I
would recommend that this
course be adopted as Mr. Patterson
is physically incapable of doing
work on the Farm, and that
another Farmer be sent up to
take his place as soon as possible.
If your views agree with mine in
this matter kindly let my
agent be heard accordingly.

I have the honor to be,
Sir,

Yours obed^t Serv^t.
Edgar Crowley
