The United States Authorities are About to Take Some Action

New York, Aug. 3.—Its was announced today that Assistant Secretary of the Treasury Taylor, is on the eve of taking the initial step in a general campaign by the government to stop the importation into the United States from Canada of undesirable immigrants. He will go to Boston early next week and from there will proceed to his destination accompanied by Commissioner General of Immigration Powderly. The frequent charges that the violation of the immigration laws have become flagrant has led this government to take steps to have the source investigated and this is the object

The Authorities Quoted by Sir Hibbert.

Ottawa, August 3-(Special)-Information has been received here that C. M. Woodworth, lawyer at Dawson, has been arrested for fraud and forgery. He was one of the three parties who were supplying information to Sir Hibbert Tuppor to base his charges on. The other two were Eugene Allan, and Semple, of the Klondike Nugget. Allen, who skipped the country, is a defaulter, and Semple is a fugitive from justice.

The schooner with which the barque Robert S. Besnard was in rollision in the bay Thursday the morning was the B. Hardwick, of Annapolis. The Besnard is not so badly damaged as supposed and it will be endeavored to effect repairs at the Island.

The schooner Harold Borden, which sailed form Kingsport late last autumn has been supposed to be lost with all hands. A report now comes that the schooner became waterlogged when six days out, and the crew were taken off by a scaling vessel bound for Greenland and all are safe.

Lawrence, Mass.. Ang. 3—A fatal accident occurred this afternoon about 3.20 of others. The daily papers have told of Miss Lawton's brave conduct in saving from drowning a young man—one of a fearn awagon and just as the team was driven onto the electric care track the 3 o'clock car out of Lawrence and and the result was that the wagon was struck and both boys were thrown out. It is thought that the Hoosler boy was struck by the car after being thrown from the depths one of Camp Comfort's young men. Of course you have read all the details of the affair, but even they would give no idea of the young lady's daring before medical aid could be summoned. Young Dick was not badly hurt. The boy killed was about 12 years old and lived on High street.

the latter had a slight sunstroke and fell from the canoe, upsetting it and precipitating both himself and Miss Lawton into the water. With admirable presence of mind Miss Lawton grasped the overturned boat, waited until her companion came up, and then got a firm hold of him. Then the old woods resounded with her cries for help, which were heard by those on shore, and, needless to say, met with a quick response. The young lady is very modest over her brave deed, and cannot see that she has done anything out of the ordinary at all."
