mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that Cherry Peotopala will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs; the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, Cherry Peotoral is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toll is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing tures as memorable as the greatest it has ever effected. Australia, "Olympia," 2,200 tons, Captain John Young, sailed from Glasgow for this Port on Wednesday, 29th inst. and will, after discharging Freight, &c., proceed to New York, loading, thence for Glasgow. This ship (so much adwired on her last trip to this port) will take passengers either for New York or through to Glasgow. Return Tickets can blad at reduced rytes.

Nursery Rhymes, No. 9. A very lean pig, on a windy day, Stood alone by a garden gate; He couldn't get in. for the gate was locked, And sadly he moaned o'er his fate.

Then he wiped his eyes with a ourl of his tail.

And gracefully stood on his ear.

And a trembling tear coursed down his spine.

Till his face turned the color of cuir. Till his face turned the color of cair.

His snoot grew flat, and gray were his locks,
When a knot-hole round he esp'ed:
And he sat on the silken folds of his paw.
And peered threugh that loop-hole wide.
He saw the sun in a golden beam,
Glint its rays on a bucket of mash,
And his porcine feelings welled up in his breast
And he went through that hole with a dash
Then his optic fell on some CATTLE SPICE,
As he glanced o'er the garden green;
And he smacked his lips and distended his

\_\_\_\_\_\_jaws. jaws. With a relish uncommonly keen. He loaded his skin till it cou'dn't hold more And his sides began to expand His face got cheeky; stout grew his limbs, And he left for his native land. He reached the hole at the side of the gate And jumped for that circular crack When his febrile pulse felt n normal shock And he fell on the broad of his back.

And the Coroner sat on the fat remains
Of that porker in his pride:
And this was the verdict the Jury gave;
'Died from a swelled inside."

VEGETABLE SICILIAN HATR
RENEWER ITS EFFECT IS

MIRACULOUS. MIRACULOUS.

It is a perfect and wonderful article. Cures baidness. Makes hair grow. A better dressing than any "cil" or "pomatum" Softens brash, dry and wiry hair into Beautiful Silken Tresses. Above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS ORIGINAL COLOR.

The whitest and worst looking hair resumes its youthful beauty by its use. It does not dye the hair, but strikes at the root and fills it with new life and coloring matter.

The first application will do good: you will see the NATURAL COLOR returning every day, and

BEFORE YOU KNOW IT, BEFORE YOU KNOW IT,
the old, gray, discolored appearance of the hair
will be gone, giving place to lustrous, shining
and beautiful locks.
Ask for Hall's Sicilian Hair Renewer; no
other article is at all like it in effect.
