A Bombay special says that 2.000 persons were killed in the town and district of Midnasore during the recent cyclone. The steamer Mary foundered on the voyage from Glasgow to Trinidad. Ten persons went down with the steamer. The remainder took to the boats. One with five men is supposed to have swamped. The other, containing two of the crew living and three dead, were picked and and the survivors landed at Falmouth.

A Bombay special says that 2.000 persons with which the name of Tell has been associated, together with his tenderness for family and his love of country. It was a masterly performance, and he was frequently called before the curtain. Mrs. Holmes as Emma, Tell's wife, acted well. The afterpiece, "Sketches in India," introduced Mrs. LeBrun, who is bound to become a favorite in comedy. As Lady Scraggs including all the LATEST NOVELTIES,
