

A Modern Laundry

The NATIONAL Laundry is a new kind in Toronto.

It does not tear collars, nor break cuffs, nor wreck shirt bosoms.

It does not rot or fade shirt waists that should not be rotted or faded.

It does not use powerful friction or rubbing machines to tear linen.

It has a modern plant that cleans without destroying.

It is the ONLY laundry in Canada that gives a real DOMESTIC SMOOTH FINISH—that is not rough enough to soil in an hour's wear.

It is the BEST laundry in this city for all of the above reasons.
