

ANNUAL REPORT
OF THE
KNOX CHURCH DORCAS SOCIETY.

For the Year Ending 31st December, 1880.

The first meeting of the season was held October 18th, and the Society continued its operations until December 13th, with a fair average attendance.

A considerable amount of clothing has been made by the members, which, in addition to donations of wearing apparel from friends in the congregation, has been the means of relieving the urgent necessities of several poor families who were insufficiently clad and in destitute circumstances. In addition to these we have rendered assistance to the East End and Nazareth Street Schools and the French Protestant Home.

As might have been expected from the unusually severe weather we have had, the calls on our Society have been very numerous, but have been met, as far as possible, with the means at our disposal. We are certain, however, that our Society is capable of increased usefulness, and we would earnestly ask our friends to help us to attain to this in the future.

The financial position of the Society will be learned by referring to the Treasurer's Statement.

We would return our sincere thanks to our friends for their generous assistance and support in the past, and trust they may receive the commendation of the Master, "Inasmuch as ye have done it unto the least of these, my bretheren, ye have done it unto me."

KATE G. MONK, *Secretary.*

M. H. CAMPBELL, *President.*
