EXHIBITION! North Lanark Agricultural Society. The annual exhibition of the North Lanark Agricultural Society, will be held on the Agricultural Grounds in the Village of Almonte on Tuesday & Wednesday, 29th and 30th September, 1874. The Prize List which has been very much enlarger can be had on application to the Secretary. As the Directors are endeavouring to do all thatis necessary in keeping up to the reputation which this society has so justly earned, it is to be hoped that the members will put themselves to a little extra trouble and inconvenience to bring to the exhibition all and such samples of produce as they have, during the year, endeavored to cultivate, grow or manufacture. There are many articles of a domestic nature made by our farmer's wives and daughters which, if brought out and placed on Exhibition, would attract attention. We hope to see them brought forward in every variety, on this occasion. If the members do their duty on this occasion, as the Directors have done, this will be one of the most successful exhibitions ever held by this Society.

\*\*Remember\*\*—Special Prizes given to such articles as are worthy of merit, though not placed on the Price List.
