Underwear is underwear this Fall, but we buy ours direct from the mills, and save you at least 25 per cent. on the prices. Underwear is one of our strongest points, and we are willing to be judged by it.

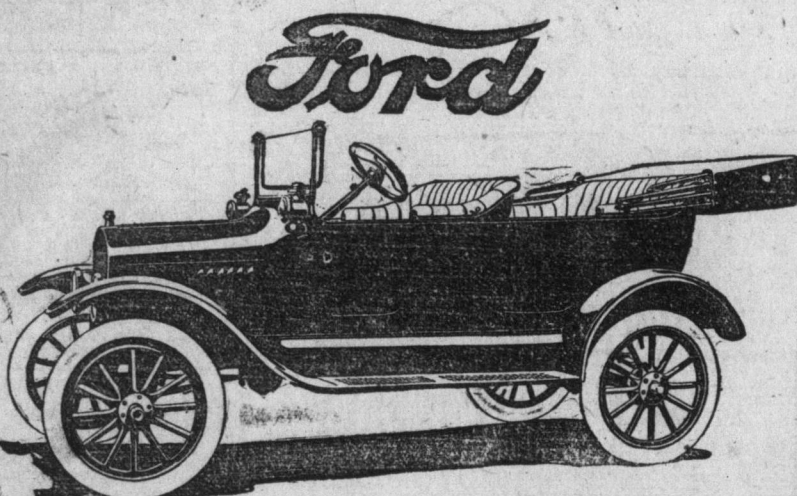

Boys' Underwear too.

This is certainly the store for underwear.

"A Joan of Arc Machine"

SHE withstood everything in the field and above all was, and still is, the last and only car to give until the cessation of hostilities. Extract from letter received by Ford Motor Company from a British Soldier, in Africa.

Over shell-torn roads, through water soaked fields, second only to the tanks in its power to climb debris and crater holes, the Ford car made a world famous record in the fighting area of the great war. In press despatches, in field reports, in letters, in rhyme and song the praises of the Ford were sounded.

In France - 700 cars out of 1,000 were Fords
In Italy - 850 cars out of 1,000 were Fords
In Egypt - 996 cars out of 1,000 were Fords
In Mesopotamia 999 cars out of 1,000 were Fords

The Ford power plant that established this world-wide record in every theatre of the war remains the same. It will be in the Ford you buy.

A SURVEY OF TORONTO HOCKEY

NEWMAN HALL MAY NOT PLAY THIS YEAR.

Jerry Laflamme Finished? Although the Newman Hall Club have applied to Manager Charlie Quenneville for the arena for the coming season, it is doubtful whether they will have a team in the senior series of the O.H.A.

Jerry is Through? If the time comes through the hockey players and fans are going to test the surprise of the season. They are on the hunt, like many other Toronto clubs, for material and are claiming several stars. "Jerry" Laflamme, who played with the St. Joseph Street Club last winter, according to one of the officers, will not be out this winter owing to pressure of business. They claim "Verney" Forbes for goal, with "Sarnie" Woodcock and "Moose" Hefernan on the defence. Although "Heff" has not promised to join the team, the management feel confident that he will. Three well-known forwards in "Babe" Dy, "Rod" Smylie and McCaffery are also counted on. Many others, too numerous to mention, are expected to turn out.

Matlands Look Good. Indications are that Matlands with "Colonel" Condy at the helm and "Dick" Carroll, coach, will make a strong bid for the Junior O.H.A. honors this season. Since the close of last season the North End club have been hot after good juniors, and have secured the promise of the following: "Billy" Burch, "Lion" Connacher and Applethorpe, Aura Lee, Moore and White, Barrie, Worters, Parkdale Case Club; Whyte, formerly Stratford; "Tracy" Shaw, Burns and the Burt Bros. of last season's team, and several others.

Varsity Material. As usualarsity will have enough material to fill a half dozen teams in any series. Each player will be asked to register at the Hart House and give all the necessary information as to his hockey record. Each day about twenty new players will work out at the arena, and each will be given a thorough trial.

DEMPSY-BECKETT OFFER. An offer of \$1500 for a 20-round championship match between Jack Dempsey and Joe Beckett, English champion, was made to Jack Kearns, Dempsey's manager, by D.J. "Torch" at New Orleans, representing a syndicate. The match would be held this winter. But the date was not.

ROUGH-HOUSE BOXING. The Parson-Hume boxing bout at Halifax came a free-fight and a near riot. In the eleventh round, Hume, who hails from England it is alleged, assaulted the referee. William Miller, objecting to Hume's actions, was then Parson and Hume engaged in a free street fight in the centre of the ring. The police entered and stopped the melee. Hume was hissed as he left the ring, and but for the police, would have been very roughly handled. As it was, chairs flew into the ring, and there was a tremendous uproar. The decision was given to Parson, who is a North Sydney man. The principal bout at the same place was between Johnny "Kid" Herman, of New York, and Harry Jones, of Halifax. Herman got the decision at the end of the fifteenth round. It was unpopular.

TORONTO BALL CLUB

President Cleaning House and Signing New Men. President McCaffery is moving with his Toronto ball team already. He has released Benny Purtell outright and has signed a Baltimore semi-pro pitcher named Davis. He is making an offer to take Pitcher Goyer of Belleville south for a trip, next spring to look him over. The signing of shortstop O'Rourke and outfielder Riley of Birmingham was announced some time ago. It is not likely that Schutte will join with Toronto again. A second basement who can manage is being angled for.

NEW YORK BILLIARD PLAY. Willie Hoppe remains unbeaten in the national 18.2 ball line billiard championship tournament at New York. He made it four straight wins, beating Morningstar, 400 to 250 for an average of 50. His highest run was 164, 137 and 39. Schaefer defeated George Siloson 400 to 281. Schaefer's average was 20, his high runs were 101, 75 and 42. Siloson's average was 14 15-19; high runs, 79, 49 and 45.

By a score of 400 to 181 Ora Morningstar won the 13th game from Geo. B. Sutton.

In a tedious 30-inning game, Walker Cochran, Detroit, defeated Koji Yamada, the Japanese expert, 400 to 351. Cochran rolled up 165 runs, the highest run of the tournament, and tow innings later he ran 101.

The tournament will come to a close Saturday, when Hoppe and Schaefer meet.

The Stratford Curling Club held a meeting to prepare plans for the coming season. Eight members were appointed as a committee to arrange for a venison dinner to be held at a later date. A new floor has been laid in the Curling Rink, and a big season is looked for.

In two matches carried to the home green at Atlantic city, Walter Reynolds of Aronimink and Fred Knight of White Marsh, the favorites, were defeated in the second round of the fall golf tournament at the Country Club of Atlantic City. R.C. Clarry, the sturdy Bala player, who gave a good account of himself in the National championship at Oakmont, defeated Knight while Reynolds lost to Dr. Meigs of Seaview.

Representatives of the Gall A.A.A. while in Toronto interviewed Dick Carroll, famous hockey coach, last year with Dentals, and made him an offer to go to Galt and coach the intermediate and junior teams. He

The Hamilton Tiger hockey team will be without Wilfred ("Shorty") Green this winter, but prospects for a first-class team appear to be rather bright. Roese, McCarthy, Reame, Matto, Reise and Cooper of last year's team re still residents of Hamilton, and in addition there will be Harry Rehl, Bill Boyd and others to select from.

Mills, who played with a Montreal team last season, Fisher of the Soo, and Spencer, the Kingston star of 1935, are now residents. The arena will open for skating about the second week in November.

Toronto, Oct. 27.—The above is the
statement issued by the Independent
Labor Party at its Hamilton meeting
on Saturday. "Mr. J. T. Marks, Provin-
cial organizer of the I.L.P. at the
Labor Temple yesterday made the
following announcement:

"A.F.O.-Labor coalition is a fact. Its
policy, as soon as the Government has
been formed and the Legislature can
meet, will be to introduce progressive
legislation and force Liberal and Con-
servative alike to the mark and
show where they stand.

"It is an actual fact that Labor is
taking part in the formation of a
Government. There is much talk about
the Farmer and Labor man not being
able to work together. If you could
see the broad spirit exhibited by the
committee from the U. F. O., you could
come to the conclusion that we can
work well together."

STILL LOOKING
FOR TROUBLE

False Alarm Sent in At 12.05 A.M.
Somebody is still looking for trouble.
And if he keeps up his practice he will
surely get it.

At 12.05 o'clock this morning a false
alarm was rung from Box 41, corner
of Water and Joseph Streets. It was a
shame to compel the men and horses
of the two fire stations to rush down the
streets over the slippery pavement
during a heavy down pour of rain. Not
until the brigades arrived at the box
which was opened was it known that
the alarm was false.

There was no trace of the culprit.
However, before long there may be
something doing. If apprehended he
will be made subject to the law govern-
ing false alarms.
