The stockholders of the Canadian Rubber Company held a meeting on Tuesday last and authorized the issue of new stock to the amount of \$500,000, increasing the total issue to \$2,000,000. The present shareholders are to be offered the new issue at par, pro rata, according to their respective holdings.

HOW THE BOY FOOLED THEM.

There is a good story told of a man. who has become a most successful merchant. A few years ago he was employed as an office boy and messenger for a large firm. He was sent to collect an account from a firm which was considered very "shaky," and was told to get the money at all hazards. The debtors gave the lad a cheque for \$250. He went to the bank at once to cash it, and was told by the cashier that there was not enough funds in to meet it.

"How much short?" asked the lad. "Seven dollars," was the answer.

It lacked but a minute or two of the time for the bank to close. The boy felt in his pockets, took out \$7, and, pushing it through the window, said. "Put that to the credit of Blank & Co."

The cashier did so, whereupon the boy presented the cheque and got the money. Blank & Co. failed the next day.-Bamberg Herald.
