PHYSICIANS' DAY-BOOK & LEDGER

Combining all the advantages of accurate accounts under the dates of their occurrence. By this system every visit, when made night or day, how long detained, to which member of the family, one or more, can clearly be indicated; including the

Daily Cash Account and an Obstetric Record of great value.

The duties of the medical profession are so multiplied, and their hours of leisure so few and uncertain, that any hitherto suggested plan for keeping their accounts has been attended with objections that set them all aside. The book will contain a set of explanations and signs giving directions in regard to making charges, &c.

MANUFACTURERS OF

TRUE PHARMACEUTICALS,

Full Strength Fluid Extracts,

PURE SACCHARATED PEPSIN,

ELIXIRS, TINCTURES, SYRUPS, Etc.

—o—

Our Fluid Extracts are prepared from fresh selected drugs, by the latest and most approved processes of re-percolation, which, although requiring more time and labour in their preparation than those made by hydraulic presses, fully justify us by their superior quality, uniformity and reliability, as evinced by the many voluntary testimonials sent us by physicians throughout the west.

N.B.—We publish the exact strength of every preparation on the label: with doses that are computed by the established doses of the crude drug, which we represent in our Fluid Extracts by drops for grains and teaspoonful for drachms, as the standard of our Fluid Extracts is 16 Troy ounces of the drug to the pint.

The greater part—about 99 out of 100 different kinds—of our Fluid Extracts bear the inscription: "One fluid ounce represents one Troy ounce of the Root," (bark, herb or seed, etc.)

Prices always as low as the genuine article can be sold for. Our goods are the best that can be made, and should be compared with standard brands of reliable manufacturing pharmacists. Price lists sent on application. Orders respectfully solicited.
