Music Lessons

FOR ALL

In Your Own Home FREE

A wonderful offer to every lover of music, whether a beginner or an advanced player.

Ninety-six lessons (or a less number if you desire) for Piano, Organ, Violin, Banjo, Cornet, Sight Singing, Mandolin or Cello given free to make our home study courses for these instruments known in your locality. You get one or two lessons weekly, and your only expense during the time you take the lessons will be the cost of postage and the music you use, which is small. Hundreds of pupils write: "Wish had known of your school before." "Have learned more in one term in my home than in three terms with private teachers." "Everything is so thorough and complete." "The lessons are marvels of simplicity, and my eleven-year-old boy has not had the least trouble to learn." One minister writes: "As each succeeding lesson comes I am more and more fully persuaded I made no mistake in becoming your pupil."

Don't say you cannot learn music, but SEND COUPON (Letter or Postcard will do).

We furnish a booklet that you would like to have. It gives much fuller information about our School, our Faculty and our Lessons than we could possibly tell you in this limited space.
