

TWO WOMEN TESTIFY

What Lydia E. Pinkham's Vegetable Compound Did For Their Health—Their own Statements Follow.

Haliburton, P.E.I.:—"I had a doctor examine me and he said I had falling of the womb, so I have been taking Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. All the bearing-down pains have vanished. I have gained ten pounds in weight, the discharge is all gone, and I feel better than I have for a long time. I think any woman is foolish to suffer as I did for the sake of a few dollars."

"You can use my letter as a testimonial. It may encourage other poor women who suffer as I did to use your Vegetable Compound."—Mrs. GEO. COLLICUTT, Haliburton, Lot 7, P.E.I.

New Moorefield, Ohio.—"I take great pleasure in thanking you for what your Vegetable Compound has done for me. I had bearing down pains, was dizzy and weak, had pains in lower back and could not be upon my feet long enough to get a meal. As long as I laid on my back I would feel better, but when I would get up those bearing down pains would come back, and the doctor said I had female trouble. Lydia E. Pinkham's Vegetable Compound was the only medicine that helped me and I have been growing stronger ever since I commenced to take it. I hope it will help other suffering women as it has me. for them. They deserve to have a happy home in after years when they work so hard for it now. I enjoyed the letter written by The Old Home's Joy and would like very much to hear from her. I am very good at answering letters. Would some of the jolly farmer lads and lassies write to

Persistency Rewarded.

Prince Edward Island, July 22, 1912.
Dear Editor and Friends,—I have written one or two letters to The Western Home Monthly, but the waste paper basket seems to have been their fate. It is a little disappointing, to say the least, when, like the boy in the funny paper, I want something a little out of the ordinary to happen to realize that the basket has been the end of my hopes. It seems especially disheartening when I read the correspondence pages and see so many anxious to write to some one. We take The Western Home Monthly and enjoy reading it. Now, lest the editor may object to lengthy epistles I think I will say no more. Hoping this may meet with the approval of editor and readers. I will sign myself

Only Sixteen.

Lansdown, July, 1912.
Dear Editor,—I have been a silent reader of your paper for a number of years and think it one of the most valuable magazines published. I read it from cover to cover and think it interesting and helpful to both old and young. I look forward to its coming and enjoy reading it through, especially the correspondence columns. This is my first letter to your paper, but thought I would write, as I see but few letters from the East. I live in a small village situated on the Grand Trunk Railway and only about two miles from one of the most beautiful rivers in the world, namely the St. Lawrence. I am very fond of all kind of sport, especially skating. Am a lover of Nature, books and music, especially the reading of good literature. I am fond of house work. I enjoyed reading the debate on dancing in the June number of The Western Home Monthly. I think there were some very good points given. I will not describe myself, as I am not for sale, but am just sweet sixteen. Would like to hear from any one who will correspond with me. Will try and be an interesting correspondent. My address is with the editor. Hoping that this may escape the w.p.b., and wishing everyone success. I will sign myself,
Maple Leaf.

Not Too Old.

Manitoba, July 11, 1912.

Dear Editor,—Can you make room for one of thirty in your merry crowd, or am I too old to join your crew? As this is my first letter, you will not expect a long one. For amusement, I like skating and a good game of whist. I fail to see the evil of a good game of cards. I don't mean playing for money, but the game itself and the good amusement it gives you through the long winter nights. I have been batching for four years on my farm, but there is a limit to everything, and I am kind of sick of it. I would like every man to batch for a few years and then he would appreciate a wife and good cooking. I live two miles from town. I smoke one pipe of tobacco every night and have a glass of beer when in town, but don't go to excess. I am not a dancer, but I do like to see people enjoying themselves while they are a gle. Some people imagine all kinds of evil in dancing and card playing, but not so in prudent people. I fail to see the evil in women having votes. I don't think the contented housewife wants the vote; all she cares about is a good home and to be made happy and treated as a woman, not as an engine or a tool. If any of your readers would like to correspond with me, I will answer all letters. Leaving my name with the editor. I will sign myself
King Bird.

HAPPY THO' MARRIED?

There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter. The feelings of nervousness, the befogged mind, the ill-temper, the pale and wrinkled face, hollow and circled eyes, result most often from those disorders peculiar to women. For the woman to be happy and good-looking she must naturally have good health. Dragging-down feelings, hysteria, hot-flashes or constantly returning pains and aches—are too great a drain upon a woman's vitality and strength. Dr. Pierce's Favorite Prescription restores weak and sick women to sound health by regulating and correcting the local disorders which are generally responsible for the above distressing symptoms.

Mrs. DICKOVER.

"I suffered greatly for a number of years and for the past three years was so bad that life was a misery to me," writes Mrs. E. F. DICKOVER, of Utica, Ohio, Route 4. "The doctors told me I would have to go to a hospital before I would ever be better. A year ago this winter and spring I was worse than ever before. At each period I suffered like one in torment. I am the mother of six children. I was so bad for five months that I knew something must be done, so I wrote to Dr. R. V. Pierce, telling him as nearly as I could how I suffered. He outlined a course of treatment which I followed to the letter. I took two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery' and a fifty-cent bottle of 'Smart-Weed,' and have never suffered much since. I wish I could tell every suffering woman the world over what a boon Dr. Pierce's medicines are. There is no use wasting time and money doctoring with anything else or any one else."

The Medical Adviser by R. V. Pierce, M. D., Buffalo, N. Y., answers hosts of delicate questions about which every woman, single or married ought to know. Sent free on receipt of 50 stamps to pay for wrapping and mailing only.

Your Vitality Can Be Restored

Strong, vital, manly men fascinate all who come within their influence. As true as you are a living, breathing human being, I can restore your VITAL STRENGTH there is not a shadow of a doubt as to what I can thus do. BUT there is a single condition, one restriction I put, a certain solemn promise I exact from you before you can exact a promise from me; namely you must unconditionally agree now at once and forever to discontinue any debilitating excess or dissipation that you may be indulging; with this out of the way, I will do all the rest. Remember what I say: no matter what your present condition, no matter what has happened in the past, just forget it and put yourself in my hands; everything will come out as you wish it. I use no drugs, no lotions, no medicines; I place no foolish restrictions upon you; just lead a natural life, get all the enjoyment you possibly can but cease dissipation; always remember that. I can then restore your vitality; I can take you out of the half-man class and put you in the spot light of full, healthy, contented manly courage; I can make you feel young again and keep you feeling young to a ripe old age, because I drive into your system the one thing which keeps the whole organism in balance, namely VITALITY. My HEALTH BELT is the greatest single self-treatment remedy or VITALITY RESTORATIVE that the world has ever known or probably ever will know. It is worn comfortably about the waist all night every night for two or three months. Thus while you are sleeping it sends a great soft, potent life-giving current of VITAL FORCE into your blood and nerves. There is not a moment's wait. It restores your vitality, it takes the pain out of your back, it makes you feel strong and vigorous, it drives away rheumatism, it cures kidney, liver, stomach, bladder disorders.
