The United States Consul at Mayence is endeavoring to work up a German market for American dried apples. Dried apples washed down with beer would make a filling diet, and ause the consumers to 'swell wisibly,' like Sam Weller's fat boy. Most people would, prefer it—particularly the bean-to Sueni's elixir.

**The New York Times' Alaskan expedition discovered a small-muddy stream and named it Jones River, after the venerable editor of the Times. There has long been known a small muddy stream up in Waterloo County called Sanith's Creek. It is thus apparent that the Times' expedition was undertaken to restore the status quo ante between two great families, the Smiths and the Jones, and all lovers of equality will rejoice that that purpose has been accomplished.
