## SECRETARY

An interesting new position has opened up in our Company for an experienced Secretary in our Applications Development Dept. an area which combines the technical and sales aspects of our business.

This position must be filled as soon as possible as the department is already involved in projects in which Secretarial Assistance will play a key roll in meeting our objectives.

If you have better than average typing (electromatic) and shorthand, are able to work with a minimum of supervision and are looking for a responsible position requiring initiative, we would like you to call us for an interview.

Salary commensurate with abilities — time off for your 1969 vacation plans.

CRYOVAC is a manufacturer of packaging materials and is expanding subsidiary of a large growth organization in the Chemical Industry. Excellent benefits and working conditions.
