Ottawa, April 27, 1909.

Sir,-

Your report on the Pointe Bleue school has just been received, and I have to inform you that the Department is much pleased with the apparent deep interest you take in the Indian children attending it, and will see that your recommendations as to the desks is attended to. If you will be good enough to state where the publication on Primary Teaching you refer to can be had, the Department will order a copy for the teacher, who from your report is deserving of encouragement in her good work.

Your obedient Servant,

L. H. Lewis
Secretary.
