Ottawa, November 27, 1912.

Rev. Sir,-

Referring to the proposed erection of a new school-house on the Kingsclear Reserve I have to ask you to be good enough to let the Department have the information asked for on July 12, 1911, in regard to the size and kind of building that you think would be suitable and also information respecting the site.

It is proposed to take up the preparation of the plans for this and other buildings at an early date and the Department would like to have the information as soon as possible.

Your obedient servant,

Asst. Deputy and Secretary.
