Ottawa, October 24th., 1917.

Sir,-

Mrs. Mary Ritchie No. 106 Saugeen Band who resides at Parry Sound claims that her family consisting of Starling Kalso Ritchie, aged thirty years, and Harriet Ritchie, aged twenty-eight years, have never received any interest as members of the Saugeen Band.

The pay-lists here show that Mrs. Mary Ritchie has drawn her interest alone since 1886. The Department desires you to look carefully into the matter and give all the information you can regarding this woman, her husband, and family, and promptly make a report to the Department.

Your obedient servant,

For Asst. Deputy and Secretary.
