

We Sell Tea

THAT will suit you, no matter what your taste may be. If you will tell us the kind you prefer, we are sure we can please you. In Black Tea, our English Breakfast Tea at 40c a pound, has lots of strength and fine flavor. It would be good value if it were ten cents more.

Our Special Blend at 60c a Pound is Delicious

Rich in flavor, plenty of strength. Our B St Tea 75c a Pound, is the finest that is brought to America. While these prices may seem a little high, you should remember that it takes less of these TEAS than the ordinary ones to make what you want, and besides you get flavor.

ABE'S MISTAKE

The editor of the Growler is getting foolish in spots, but he talks horse-sense when he leaves this G. H. out of it. Yesterday he said, "We claim that Abe's Pigstie is the one that should have a little credit for getting that ice crusher, not the city's stone crusher, as he was not a member of the Council Board when that money was spent." Abe shouldn't display his ignorance of Council matters in that free and easy fashion. He'd better ask ex-acted at their own expense whether that gentleman was in the Council or not at the time the stone crusher was bought.

DEATH'S CALL

Eliza J. Gordon, relict of the late A. G. Gordon, passed peacefully away yesterday afternoon at four o'clock at her residence, King street west, in the 73rd year of her age. Deceased was an old resident of Chatham and was well known and highly esteemed in this city. She has been in poor health for a number of years and has been ill for some time. One daughter, Miss Lizzie Gordon, of the Central school teaching staff, is left to mourn her loss. The funeral arrangements have not yet been completed.

A NEW DEPARTMENT

A made to order skirt department has been added to the establishment of Thibodeau & Jacques altogether separate from their dressmaking rooms.

They have secured competent skirt makers to take charge of the work and will guarantee satisfaction. The styles will be up-to-date. They will make up only material purchased at Thibodeau & Jacques. Of these skirts can be seen in their windows and in the store, from now until March 8th, in order to introduce them, any of these skirts will be made for one dollar, after that date the price of making will be \$1.00, \$1.25 and \$1.50. Every lady should see these whether they want to buy or not.

Something New, and Up-to-date! This is all very well, but what about the old things that have stood the test of time? Now there is "The D. & L." Emulsion; everybody knows you cannot find a better preparation for all Lung troubles.

BLENNHEIM LICENSES

The East Kent Board of License Commissioners met yesterday in Ridgetown to consider the petition presented by a majority of the ratepayers of Blenheim asking that licenses be granted to the hotels in that town. After some discussion the majority of the commissioners agreed to grant the licenses.

For nearly a year now Blenheim has been in the same class as the Indian reserves. The local option by-law was carried by a majority of five but the council refused to pass the by-law. In the face of this the license commissioners refused to grant licenses. The case was taken to the courts and an effort made to compel the commissioners to legalize the selling of liquor in Blenheim. The case was tried but the judge reserved his decision and has never since given his judgment. Now a majority of the people of Blenheim themselves seem to be sorry that they spoke and are petitioning for a license.
