PROSPECTUS

Of the Fifth Volume of the

CANADA TEMPERANCE ADVOCATE.

THE Committee of the Montreal Temperance Society, in commencing another volume, earnestly request the aid of the friends of Total Abstinence in both Provinces to extend its circulation, by subscribing themselves and procuring as many subscribers as possible. The welfare of our country the safety of our families, and the prosperity of the Church of Christ, demand vigorous measures to stem the torrent of intemperance which is rapidly spreading its destructive course over the land.

Amongst the many means for effecting a reform, the promulgation of truth, through the medium of the press has been, by the blessing of God, one of the most efficacious. Acting upon this belief, the Committee, besides making arrangements to render the Temperance Advocate still more interesting, have resolved to lower the price of the next volume fully one half, although at the present rates, its support is attended with considerable pecuniary loss. To sustain the undertaking at even a moderate sacrifice, prompt payment and an extended circulation are absolutely necessary. The friends of Temperance are, therefore, appealed to for renewed exertions, in order that the committee may be relieved in some measure from the responsibility assumed, and be enabled to continue the support of a means so necessary for the success of the Temperance Reformation.

The following are the terms of the fifth volume: When delivered in town, 4s. annum, 1s. 6d. copy. Sent by mail (except to post-masters) postage included, from 1 to 10 copies 1s. 8d. 4s. annum; from 10 to 100, 1s. 6d.; 100 and above, 1s. 3d. NO PAPER FORWARDED WITHOUT PAYMENT IN ADVANCE. All communications and remittances to be sent (post paid) to Mr. JAMES COONEY, Secretary.

N. B.—Copies will be sent (gratis) to every Minister of the Gospel and Schoolmaster whose names are transmitted. Individuals and Societies unable to pay for the quantities they may wish to take, will be supplied at reduced prices or gratis, on making proper representations. MONTREAL, February, 1839.

BALDNESS.

A BEAUTIFUL HEAD OF HAIR is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintances; the remainder of their lives consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair.—To avert all these unpleasant circumstances, OLDRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm are shown by the proprietors.

Read the following:

ROBERT WHARTON, Esquire, late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentleman:

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldridge, and have found it highly serviceable not only as a preventative against the falling off of hair, but also a certain restorative

It will certainly raise its virtues in the estimation of the public, when it is known that three of the above signers are more than 50 years of age, and the others not less than 30.

From the Mayor, Commonwealth of Pennsylvania, City of Philadelphia.

I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with Messrs. J. P. English, John S. Furey, and Hugh McCurry, whose names are signed to the above certificate, that they are gentlemen of character and respectability, and as such, full credit should be given to the said certificate.

In witness whereof I have hereunto set my hand, and caused the seal of the city to be affixed, this sixth day of December, &c.

MORISON'S UNIVERSAL MEDICINE.

NOTICE.

THE Subscribers, general agents for Morison's Pills, have appointed William Whittaker, Sub-Agent for the Upper Town, No. 27, St. John Street.

LEGGE & CO.

That the public may be able to form some idea of Morison's Pills by their great consumption, the following calculation was made by Mr. Wing, Clerk of the Stamp Office, Somerset House, in a period of six years, part only of the time that Morison's Pills have been before the public; the number of stamps delivered for that medicine amounted to three million, nine hundred and one thousand.

The object in placing the foregoing powerful argument in favour of Mr. Morison's system, and to which the public attention is directed, namely, that it was only by trying an innocuous purgative medicine to such an extent that the truth of the Hygeian system could possibly have been established. It is clear that all the medical men in England, and the world, put together, have not tried system of vegetable purgation to the extent and in manner prescribed by the Hygeists. How, therefore, can they (much less individually) know anything about the extent of its properties.
