Eighty-five thousand satisfied owners against unproved claims and rosy promises

You judge a man by what he's done—not by what he says he intends to do. Judge a motor car the same way.

Eighty-five thousand and more Canadian built Fords have "made good" in actual service. Since 1904 this sturdy, economical car has stood the test—not only in Canada, but throughout the British possessions.

Every passing year has seen Canadian Ford sales mount by thousands of cars—because, under almost every conceivable condition, the car has proved itself a splendid all-around utility.

It has sold on its record for dependable and economical performance—not on the rosy promises of its makers.

The man who selects a Ford is backed in his judgment by more than eighty-five thousand satisfied motorists in the Empire.

Has this a significance for you?
