Messrs. Smith & Richardson, importers and breeders of Clydesdale horses and Shorthorn cattle, Columbus, Ont., write : "We have made a number of sales during the last ten days. One carload of stallions and mares to J. W. Alcok, Medicine Hat, N.-W. T.; also one of our prizewinning stallions, Prince of Scotlandwell, to Mr. Thos. Brown, of Carleton Co., for the sum of \$1,700. Prince of Scotlandwell won second price in Ottawa in the spring of 1904, and fifth prize in Toronto last February. We also sold our stallion, Pride of Lyndoch, to go to Calgary, Alta. We still have a number of stallions and mares on hand, and our prices are right. Parties in need of either should see our stock hefore purchasing elsewhere.'

Mr. D. Milne, Ethel, Ont., reports the following sales of Shorthorns made re-cently: "To F. We'sh, Lurgan, Ont., the cently : young bull, Prime Favourite =56086=, by Ontario Gold =41028=, dam Roan Strawberry =57018= ; to James Taylor, Kincardine, Ont., Maitland Hero Kincardine, Ont., =56085=, by Red Duke (imp.) =3608= (77585), dam Rose of Huron =51548= : to Dan DeCourcey, Bornholm, Ont., Golden Choice =56080=, by Golden Conqueror (imp.) =36040=, dam Countess 2nd (imp.), by Count Amaranth (imp.) (74289). I still have a few of similar breeding and quality for sale. Amongst them is Gloster Prince =56082=, a good, sappy red, sired by World's Fair King =38431=, dam Duchess of Gloster F. =43793=; also a very pretty dark roan, thick, blocky, twelve-months-old bull of the Stamford family, and got by Scotland's Fame (imp.) =45225=, dam Roan Rose =51546=; also Star of the Realm =56089=, a pretty nine-months-old roan bull, by Scotland's Fame (imp.), dam Rosa Lenton 3rd =36329=, a Campbell Rosebud. These will be sold at very low prices."

Mr. H. Bollert, Cassel, Ont., writes 'The Maple Grove Holsteins are doing finely this winter, and in official tests maintain their high position. We recently had the three-year-old, Tidy Pauline De Kol, and her half-sister, Maple Grove Belle, officially tested. Tidy gave 56 lbs. 15 ozs. in one day; 893 lbs. 4 ozs. in seven days, and made 16.62 lbs butter, 85.7 per cent. fat, in seven days. This was nearly two months after calving, with her teats raw with cowpox. She had previously given 66 lbs. daily. Belle gave 58 lbs. 9 ors. in one day; 401 lbs. 15 ozs. in seven days, and 16.83 lbs. butter, 85.7 per cent. fat in seven days, which places her at the head of all twoyear-olds in Canada to-day. Both heifers were bred here, which again shows that Maple Grove need not import stock in order to make large records. Sales also very satisfactory. The more recent are a bull to Mr. J. E. Harrison,

Got No Relief From Medicines, But Found It At Last In **Burdock Blood Bitters.**

Mrs. Frank Hutt, Morrisburg, Ont., was one of those troubled with this most common of stomach. troubles. She writes :-- "After being treated by three doctors, and using many advertised medicines, for a severe attack of Dyspepsia. and receiving no benefit, I gave up all hope of ever being cured. Hearing Burdock Blood Bitters so highly spoken of, I decided to get a bottle, and give it a trial. Before I had taken it I began to feel better, and by the time I had taken the second one I was completely cured. I cannot recommend Burdock Blood Bitters too highly, and would advise all sufferers from dyspepsia to give it a trial."

WILL CURE YOU FIRS The physician who has not sufficient confidence The physician who has not sufficient confidence in his ability to cure his patients first, and re-ceive his pay afterwards, is not the man to in-spire confidence in those who are in search of honest treatment. My acceptance of a case for treatment is equivilent to a cure, because I never accept in-curable cases. I am satisfied to receive the money for the value I have given the patient, but I expect to prove my worth and show positive and satisfactory results before I ask for the fee. So, should I fail to cure the case, the patient loses nothing, while when I cure him I have given what is worth much more than money -I have given him his health again. I am the very first specialist in the Unites States who has had sufficient confidence in his ability to say to the afflicted, say to the afflicted. NOT ONE DOLLAR NEED BE PAID UNTIL CURED

PHYSICAL DEBILIT

The Latest Method Treatment is a heaven-sent boon to nervous sufferers. There are scores and hundreds of persons suffering from severe nervous disorders resulting from overwork, hurry, worry, business and domestic cares, bereavements, dissipation, etc. To them life is one continual round of misery, while peace, comfort and happiness are impos-sible. They suffer from headache, loss of memory, mental depression, strange sensations, dulhess, dizziness, restlessness, irritability, constant indescribable fear, forebodings, sleeple-sness, weakness, trembling, heart palpitation, cold limbs, utter fatigue and ex-hanstion. In this class of cases almost immediate relief is afforded by my treatment. The use of narcotics and poisonous stupefying drugs is done away with, and permanent cures accomplished.

I Cure Nervous Debility, Varicocele, Stricture, Early Decay and Waste of Power, All Nervous, Chronic, Blood and Skin Diseases.

IDEAL WOVEN WIRE FENCE

Made to Last.

THEATE OF LEAST. This fence is made to keep your live stock in and your neighbor's out. It will do this not only for this year and 'next year, but for many years to come. To do this the fence must be strong and durable. The IDEAL is both, because we use large gauge (No. 9) hard steel wire for both stays and horizontals, securing them with the "Ideal knot that will not slip." The wire is well galvanized, being tested thoroughly by us before being made into fence. We cannot tell you all about it here, because we write us for our illustrated catalogue. It shows a style for every purpose, and tells you why the IDEAL is the best value. Our catalogue also shows the Ideal All-metal Farm Gate. Mr. Mallet has a fine herd of grades, having used pure-bred bulls for many years, and his large monthly cheques show the wisdom of his course. To Mr. J. H. Three young cows to Mr. F. C. Pettit, Burgessville, two of which are in the Record of Merit. This is Mr. Pettit's second purchase from Maple Grove within the year. making ten head in all. And last, but not least, at a long price, the great Tidy Abbekirk to Mr. D. W. Field, of Brockton, Mass. Mr. Field is gathering all the great cows of the breed into his fine barn, and has a wonderful herd. It is a great loss to the dairy interests of this country to let such cows go across the lines to Uncle Sam's Territory, but this must be the case as long as our dairymen and breeders are not progressive enough and willing to pay a reasonably liberal price for the offspring of such cows. I still have some very choice bulls fit for service to offer."
