The Wortman & Ward Co.'s Hay Fork Outfits

have been in the market for upwards of 25 years and have always been in the lead. There are many thousands in use in Canada, and they are known from the Atlantic to the Pacific as reliable in every respect. Hundreds of them bought 20 to 25 years ago and are still doing as good service as when first bought. There are forks that are lower in price, but if an extra investment of only a few dollars will secure a rig that will last a lifetime, the extra expenditure is certainly in the interests of economy. Agents located in all the principal towns. Others wanted. Send for booklet with full particulars to
