EDMUND J. MOORE

On January 26, St. John's Parish, Arthur, lost one of its most respected members, by the death of Edmund J. Moore. His demise came as a shock to his many and dear friends, for although Mr. Moore had not enjoyed his robust health for some months, he was quite as well as usual on the day previous to his death. Edmund Moore was born in Paris, Ontario, where he grew to manhood. He married Ellen Canton in 1891, moving to Durham, where he was in business for only a short time when he came to Gordonville, here carrying on a successful business for a period of more than twelve years. He then moved to his farm in West Luther, where without a moment's warning he passed to his eternal reward early Monday morning.

Mr. Moore was a man of great constitution, of strong intellectuality and excelled in the art of conversation. Broad of mind, firm of purpose, steadfast of character and sound in judgment, he threw himself most unselfishly, with all the vigor of his manly

character, for the upbuilding of Church and community. No work of charity that came within his reach was left undone.

A kind husband, a prudent and devoted father, he loved the warmth and cheer of the family hearth, and none could surpass him in contributing to its enjoyment. His greatest interest was in his family by whom he was greatly loved and respected.

Edmund Moore leaves to revere the memory of a good, noble husband and father, besides his widow, a family of four sons and four daughters; James P., Commercial Salesman, Niagara Falls, N. Y.; Rev. John R., student of Campion College, Regina, in whose esteem three hundred Masses were offered for the repose of his soul by the Jesuit Fathers; Edmund J., druggist, Toronto; Eugene at home; Mrs. J. Mulhall of West Luther; Mrs. D. King, Niagara Falls, N. Y.; Marie, teaching at Dornoch, and Madeleine at home.

His funeral, which was largely attended, took place on Wednesday morning to St. John's Church, where Solemn Requiem High Mass was celebrated by Rev. Father Traynor assisted by Rev. Father McDonald, S. J. of St. Stanislaus Novitiate, Guelph, as deacon, and Rev. Father McCaffery, S. J., also of St. Stanislaus Novitiate, Guelph, as sub-deacon. Rev. Father McCaffery delivered an impressive sermon and assisted Rev. Father Traynor at the grave.

AN URGENT CALL

A very promising Ruthenian young man, a graduate of our college, who is at present in a Canadian Seminary, urgently requests financial aid in order to continue his studies for the priesthood. For particulars or to forward contributions, communicate with Brother Stanislaus, St. Joseph's College, Yorkton, Sask.

To my mind the home is the only school in which to learn the existence of the golden mean between the false ideals and barren realities of life; there only is acquired that practical view of life which is sometimes lacking to a younger generation.

Have you the courage to read these figures?

Insurance statistics show that only 11 out of every 100 men who are twenty-five today will be able to support themselves at 65.

36 will be dead. 6 will be self-supporting. Only 5 will be well-off. 53 will be dependent on others for support.

"What will you be doing at 65?" Will you still be able to earn your own living? Or will you be dependent on relatives for support?

It all depends on what you do in your spare time. Train yourself to do some one thing well—put your services in demand—and old age will have no terrors. Your training and experience will make your services more valuable every year.

Neglect your opportunity—waste the precious years of youth—keep putting it off until the tomorrow that never comes—and at 50 or 65 you will be only the shadow of the man you might have been.

Read over those figures again. And then, for the protection of the future years, send in the coupon that has meant the difference between failure and success to so many men just like yourself.

"And I Make \$4.00 a Day Besides Doing All My Own House Work"

"I USED to take in dressmaking," writes Mrs. Fred Wigfield who lives in a small Ontario town; "but my husband was opposed to it on account of the people who were always coming in and out." She tells how she regretfully gave it up, "as I was always used to having my own money."

One day she read, just as you are reading, what others were doing with the Auto Knitter....let Mrs. Wigfield finish her story. "I have made two pairs of socks an hour and make \$4.00 a day besides doing all of my own housework. So far I have all the orders I could fill and the Company takes all the socks that I can send. I have had the Auto Knitter three years and have made, on an average, \$20.00 a week."

Here you have the simply told story of an ambitious woman. One of thousands who are this very minute turning their spare hours into needed dollars.

We Enter Into a Contract With You

The plan, briefly, is this: You knit for us at home in your spare time—whenever you like, as much or as little as you like. For every pair of standard socks you send us—standard meaning, knit on the Auto Knitter to a standard size—we pay you a fixed, guaranteed price. Our contract to do this assures you of a constant guaranteed market at a good substantial profit.

This contract does not bind you to send, all or any of the socks you make, to us. You may sell them privately if you choose. Remember this, though—for every dozen pairs of standard socks you send us, we send you not only your pay cheque, but sufficient yarn to replace that which you have used. This is free and goes forward to you so that you may go right on and knit another lot of socks.

We sell the socks that are made by our army of workers to large wholesale houses, and in this way have an assured output for every pair that is sent to us. We have been doing this for many years and the demand for Auto Knit socks is greater today than ever before.

Ten Years of Proved Success

Auto Knitting is not new or untried. It is an established industry for earning money at home. We pay you for every hour that you can spare. Your pay cheques will reach you

promptly. It is a very comforting thought to feel you can sit down in your own home, in your own time and earn extra money for something you especially want. Thousands of men and women are earning money in this way who could not possibly consider a canvassing or selling proposition.

"In the 8 months we have had our Auto Knitter, we have made over \$600.00, working only in spare time." —MRS. H. ARMSTRONG, British Columbia.
