HALEY & SON ST. STEPHEN, N. B. bet

Young Husband—" Darling, I have confession to make: My salary is 30 per to politics and be a boss?" Certainly, and another was rammed and possibly cent less than I told you before we were replied Mr. Meekton, "I'd really enjoy married!" Young Wife-"Oh, that's all having Henrietta step in and show some

"I suppose you know the answer to a-

"Would you like to see your wife go in-There is no truth in the German state right, Tom; I calculated on 50!"—Judge of these practical politicians what a real boss is like,"-Washington Star.

Meeker—"Didn't I always give you my salary check the first of every month?"

Meeker—"Yes; but you never told me that you got paid on the 1st and 15th, you embezzier!"—Judge.

"I suppose you know the answer to about any question an interviewer could ask?" "Possibly," replied Senator Sorghum. "The fact that I know the real answer so thoroughly is sometimes what asked. "Have you ever been in Ohio who lives on onions alone." Hubonives on onions alone." Hubonives on onions ought to live alone."—Boston Transcript.

"I suppose you know the answer to about any question an interviewer could ask?" "Possibly," replied Senator Sorghum. "The fact that I know the real answer so thoroughly is sometimes what asked. "Have you ever been in Ohio who lives on onions alone." Hubonives on onions alone." Well, any one who lives on onions ought to live alone."—Boston Transcript.

"I suppose you know the answer to about any question an interviewer could ask?" "Possibly," replied Senator Sorghum. "The fact that I know the real answer so thoroughly is sometimes what makes me a trifle diffident about expressing myself."—Washington Star.

The recruit was being sworn in. Everybout any question an interviewer could ask?" "Possibly," replied Senator Sorghum. "The fact that I know the real and a British battleship damaged."

Wife—"This paper tells of a man out in free by writing the Publicity Branch, Department of Natural Resources, Calgary, "Well, any one who lives on onions alone." Hubonic and the prison?" "No, sir," was the reply. "You enter the first of every been in prison?" "No, sir," was the reply. "You enter the first of every been in prison?" "No, sir," was the reply. "You enter the first of every been in prison?" "No, sir," was the reply. "You enter the first of every been in prison?" "No, sir," was the reply. "You enter the first of every been in prison?" "No, sir," was the reply. "You enter the first of every been in prison?" "No, sir," was the reply. "You enter the first of every been in prison?" "No, sir," was the reply. "You ent
