He was of the opinion that ultimately a parental school would have to be established.

Tt is sufficient for some people that they drink anything called tea. Others prefer a standard brand like "Salada," which has a reputation for being good. The latter get more enjoyment out of life. In buying tea for the satisfaction you expect to get from its use, it will pay to purchase "Salada." Avoid anything "just as good." Imitations are invariably of poor quality. 67

Charles Ward, the five-year-old son of Harry Ward, Harrison street, pulled a pan of boiling water from the kitchen stove yesterday and was badly scalded about the head and body. Dr. W. F. Roberts was in attendance.

## The Trouble Can Only be Cured by Enriching the Blood Supply

When your nervous system is exhausted the trouble makes itself evident in many ways. You feel always fatigued and unfit for work. Severe hes distract you; your back is weak; you sleep badly; your appetite is uncertain; you are nervous and irritable and after any exercise you tremble and perspire excessively. If the trouble is not checked your case es from bad to worse until you feel that your condition is hopeless and that insanity is threatened.

Your nerves are calling for help. They are starved because they demand from the blood more nourishment than it can supply. New rich blood is the secret of nerve strength was spent at bridge. and Dr. Williams' Pink Pills for Pale People cure nervous disorders because

though she had never had to conform to such conditions before. Notwithstanding the splendid spirit she displayed the work played havoc with a delicate constitution, and some years

ago Mrs. Hall noticed signs in herself of a nervous collapse. She con-sulted a doctor who gave her some knwoledged by Mr. Stanburg in a few medicine and told her she "would be all right in a few days." But relief not come and it was finally a

daily occurrence for her to faint at work. These fainting spells quickly developed into pronounced hysteria and chronic irritability, and Mrs. Hall says that death would have been a relief. She cosulted several doctors but got no help, and she felt that she was lost bordering on insanity. In this mondition she was advised to try Dr. Williams' Pink Pills.
