STORE NEWS WITH A CHARACTER

WE have just added another shipment of NEW SPRING GOODS to our already large stock. Really the goods this season have opened up far beyond our expectations. The novelties in Dress Materials, Silks, Summer Materials ready-to-wear, etc., reflect the proper style tendencies that are now so popular in the world's fashion centres. An inspection will immediately convince you of their exceptional value

New Models in Corsets for Spring

The human figure varies so widely that prevailing fashions would be worthless unless they were aided by good figure-defining corsets. The different models that we are now showing for 1913 styles are adapted to the various figures, giving correct lines, and allowing tone fit of the garments.

You owe it to yourself to have a New 1913 Model Corset with your new spring suit.

GARDEN SAGE DARKENS HAIR SO NATURALLY NOBODY CAN TELL

Says Sage and Sulphur Will Stop Falling Hair and Cure Dandruff.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, then left to age and carefully filtered will turn gray, streaked and faded hair faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair.

Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggy and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's."

SOME GOOD RECIPES.

Sweet Potato Fritters.

Rub through a colander boiled sweet potatoes to make two cupsful. Add one tablespoonful of melted butter, two tablespoonfuls each of cream and flour, and three eggs, well beaten. Drop by spoonfuls into deep fat and fry brown. Serve with the following sauce: Steam together three tablespoonfuls of butter and two of sugar. Pour over half a cupful of claret brought to a boil, with a pinch of grated nutmeg added. Cook in a double boiler until foamy and serve immediately, poured over each fritter as it is served.

Fruit With Custard.

Custard served with stewed prunes or a baked apple is a nourishing and appetizing dish.

If the apple is preferred it should be cored and then baked with a little sugar and water. When soft, place in a glass dish and pour around a thin custard made from one egg, less than a cup of milk, with sugar and flavoring to taste. This is eaten cold.

Away With Depression and Melancholy—These two evils are the accomplishment of a disordered stomach and torpid liver and mean wretchedness to all whom they visit. The surest and speediest way to combat them is with Parulee's Vegetable Pills, which will restore the healthful action of the stomach and bring relief. They have proved their usefulness in thousands of cases and will continue to give relief to the suffering who are wise enough to use them.

JUDGE HARDY TALKS SALARY

Hasn't Had a Raise Since He Was Appointed Judge for This County.

His Honor Judge Hardy during the course of the meeting of the Board of Police Commissioners yesterday afternoon was heard to remark "These police officers are kicking to have their salaries raised every second year. Whoever raised a Judge his salary advanced? I have not seen or heard tell of a raise since I went on the Bench," exclaimed His Honor.

"If the Judges were to ask the government for an increase of salary there would be a decree of a howl," continued His Honor. Judge Hardy said "that if one Judge was granted an advance of salary, then the government would have to advance the salary of every Judge from the Atlantic to the Pacific. 'Well' you see how much chance I have of getting a raise," said His Honor.

For Burns and Scalds—Dr. Thomas' Electric Oil will take the fire out of a burn or scald more rapidly than any other preparation. It should be at hand in every kitchen so that it may be available at any time. There is no preparation required. Simply apply the oil to the burn or scald and the pain will abate and in a short time cease altogether.

Mrs. Mostyn Cutcliffe left this morning for Toronto, where she will spend a few days.

Mrs. W. L. Creighton and Mrs. H. W. Fitton are amongst the Brantfordites in Toronto this week.

Mrs. Douglas Jemmett and babe of Halleybury are the guests of Miss Dorothy Wilkes, Chatham street.

Miss M. Oles of Idoha Falls spent a few days last week with her sister Miss Minnie Oles of 124 Wellington street.

Miss Dorothy Wilkes has returned from Halleybury, where she has been a most popular visitor for the past month.

Mrs. Jennings of Toronto is spending a few days in the city, the guest of her son-in-law, Mr. George Watt, St. Paul's avenue.

Miss Sankey of Toronto—often a popular visitor in Brantford—is at present in Montreal, the guest of her sister, Mrs. Hoyles.

Mr. and Mrs. J. E. Snider, who for the past two months have been the guests of Mr. and Mrs. B. J. Wade, Market street, returned to their home in the west this morning.

Mrs. Morton Paterson left on Monday for Port Dover, where, with her husband, they will start on a three or four days' driving trip while the sleighing is so fine, and about the small towns along the Lake, where business calls Mr. Paterson.

A very enjoyable evening was spent at the home of Mr. James Ferris, "Terrace Lawn", Cocksbutt road, on Friday evening last, when about forty guests from Brantford, Hamilton, Waterford and Mt. Pleasant,

were entertained—games and dancing were the order of the evening, and a delicious supper was served about twelve o'clock, which needless to say, was done ample justice to.

From all accounts they seem to have a particularly lively breed of geese in Belgium. The other day a wild goose crashed through the glass peep-holes of the engine of the Brussels-Ghent express, and attacked the driver, who was obliged to stop the engine while he beat the bird to death with a shovel.

If you want a really luxuriant bath, try the following: only be very careful not to use it on the face, as it is a little too stringent.—Cut two or three lemons into thin slices and put them in a hand basin of water to soak for one hour, add to this a heaping cupful of oatmeal. After the bath water has been drawn from the faucet, the lemon impregnated water is added, and the whole stirred vigorously, and your beauty bath is ready.

The vogue for brocades, brooches and every variety of patterned material shows no signs of decreasing, but instead these stuffs are being put to more uses than ever before. They are employed for entire frocks, for combination with silks and satins, for blouses and for hats, certainly a wide range of articles. Many of the broche gowns are lovely, for the coloring shown in the fabrics and their texture render them especially effective.

If to-morrow proves as bright and lovely as to-day, methinks staid old Colborne street will look more like 5th Avenue (?) in parade as the advance opening of Spring styles at Crompton's is sure to beguile the feminine portion of our community into stealing down town, if only for a peep at all the pretty new creations—for very dear to women's hearts are attractive toilets and accessories, even when the purse is limited, and it's something to see pretty things, even if one cannot always afford to buy them.

Grace Church A.Y.P.A.

At the meeting of the A.Y.P.A. in connection with Grace Church, which was held in the schoolhouse on Monday evening last, a splendid address was given by Mrs. Pollin of India on the Zenana Bible and Medical Missions—a work of absorbing interest, and one which the speaker was thoroughly conversant with.

Her appeal on behalf of the woman and child widows of India, where conditions are so bad, resulted in a unanimous decision on the part of this A.Y.P.A. to undertake the support of one child in India as their share in the good work.

A good house greeted the production of "Officer 666," which held the boards at the Grand Opera House last evening—a play abounding in absurd complications, and presented under the management of the well-known Cohen & Harris. The play was well staged, and the acting good throughout.

LAUGHTER LINES

A tramp knocked at the door of a lonely spinster's home.
"Kind lady, arst yer 'usband if 'e ain't got a old pair 'o trousers to give away."
The spinster, not wishing to expose her solitude replied:
"Sorry, my good man, he—er—er—never wears such things."

FASHION NOTES.

Many of the new tub frocks show three flounces of machine embroidery, one overlapping the other and the upper one reaching to the saab line. Such flounces are ungathered and usually the bodice is trimmed with the same embroidery in matching bands.

The newest of the new materials is white cotton crepe striped with cotton velvet in pale color. White crepe striped with pale yellow is a particularly fashionable combination in this new material which is made up in simple shirt style, with long sleeves and a negligee or turned down Directorate collar.

Our Recipes

Baked Cheese Omelet.

Two eggs, two cups of milk, one cup of grated cheese, one small cup of bread crumbs, salt and pepper to taste, one tablespoonful of melted butter; soak the bread in the milk in which you have dissolved a teaspoonful of soda; beat the eggs lightly and add to the bread and milk; stir in butter and seasonings; last of all put in the cheese; bake in a well-buttered pudding dish, and eat immediately before it falls.

Braised Beef.

One pound top of round cut into dice. Place in saucepan in cold water, set on stove way back and simmer
