### Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

## DRINK HOT WATER AND RID JOINTS OF RHEUMATIC RUST

Why rheumatism and lumbago sufferers should drink phosphated hot water each morning before breakfast

RUST OF IRON

RUST OF RHEUMATISM

Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste material, toxins and ptomaine-like poisons, called uric acid, is formed and then sucked into the blood where it continues to circulate, collecting grain by grain in the joints of the body much like rust collects on the hinge as shown above.

Men and women who suffer from lumbago, rheumatism or sore, stiff, aching joints should begin drinking phosphated hot water, not as a means to magic relief from pain, but to prevent more uric acid forming in the system. Before eating breakfast each morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This will first neutralize and then wash out of the stomach, liver, kidneys and bowels

the previous day's accumulation of toxins and poisons; thus, cleansing, sweetening, and freshening the entire alimentary canal, each morning before putting more food into the stomach.

A quarter pound of limestone phosphate costs very little at the drug store, but is sufficient to make any rheumatic or lumbago sufferer an enthusiast on the morning inside bath.

Millions of people keep their joints free from these rheumatic acids by practicing this daily internal sanitation. A glass of hot water with a teaspoonful of limestone phosphate drunk before breakfast, is wonderfully invigorating; besides, it is an excellent health measure because it cleanses the alimentary organs of the body, making one look and feel clean, sweet and fresh all day.

Those who try this for one week may find themselves free from sick headaches, constipation, bilious attacks, sallowness, nasty breath and stomach-acidity.

## J. H. A. ELECTED ITS OFFICERS

### Annual Meeting of Society Held Yesterday—Reports Submitted

The annual meeting of the Junior Hospital Aid was held yesterday with a large attendance. The following officers and committees were elected: Hon. President—Mrs. John Agnew. 1st Vice-Pres.—Miss Helen Kippax. 2nd Vice-Pres.—Miss Gertrude Brohman. Secretary—Miss Winnifred Ryan. Treasurer—Miss Clara Sanderson. Sewing Committee—Miss Ruth Hart, Miss Nora Tomlinson. Purchasing Committee—Mrs. Brander. Convenor of Fees Collection—Miss Winnifred Palmer. Visiting Committee—Miss President. Executive—Miss Muriel Whitaker. Miss Elsie Sanderson.

The effects of the terrible world conflict still waiving in Europe, are growing more and more intense in this country, and with the ever-increasing demands on the general public, in both time and money, the Junior Hospital Aid has kept itself more or less in the background. However, if we have not been much before the public eye, we have, nevertheless, thanks to our faithful members, more than met the demands upon our society during the past year, which in sewing alone has meant a great deal; for never has there been such a number of small inmates as during the past year.

Our annual June lawn talent tea, which was to have been held at the home of Mrs. W. J. Verity, owing to extremely unfavorable weather, was held at the club room of the Y. W. C. A., but nevertheless proved a great success, due to the very loyal support of our members, as well as the presence of the W. H. A. and the general public.

Early in the year we were of sufficient importance to be mentioned in several out-of-town papers, which led to the receiving of letters asking for information regarding our society, which, needless to say, we were delighted to supply.

During the summer, the J. H. A. assisted at the bowling tournament at the Brantford Club, in serving luncheon, in aid of Red Cross; and at the Nurses' graduation in October, our society co-operated with the W. H. A. in serving light refreshments.

Through the kindness of the W. H. A., the J. H. A. was granted the privilege of conducting, for their own interests, the tea room in connection with the annual rummage sale. We were more than satisfied with the results of our first effort, and trust that this year may prove even more successful.

Our annual Christmas donation to the hospital consisted of a box of apples for the patients, and the renewed subscription to the magazine, "Good Housekeeping," for the nurses.

I would like to take this opportunity of thanking the collectors, hospital visitors, convenors and members generally, for their practical assistance during the year, also to extend thanks to each of our benefactors; to Miss Forde, the superintendent, for her kind and generous assistance; to Mrs. S. G. Read, for the loan of a machine; to the Y. W. C. A. for the use of the club room, and to all who have shown an interest.

At the November meeting the Treasurer was authorized to arrange for the annual subscription to good-keeping for the nurses; and two of our members were given charge of buying and sending to the hospital, a box of apples as a Christmas gift to the patients.

A nominating committee was appointed in December to approach members for office for the coming year.

In the course of the year 1917, at our sewing meetings we have made into garments one hundred and seven yards of flannelette and twelve and a half yards of cotton. We have also purchased for use at the hospital two Kelly bags and two yards of flannel. Throughout the year our Executive have been faithful in the fulfilment of their duties and our members have worked earnestly at the sewing meetings and whenever they were otherwise called upon to lend assistance.

In January 1917 the Junior Hospital Aid had in its treasury \$259.65 to which we were able to add during the year \$118.08; our expenditures amounted to \$39.61, making our balance now in hand \$338.12.

est in our own society during the past year.

In closing, I would like to emphasize the personal responsibility of each member, and at this the beginning of a new year, let us all resolve to do "our bit" towards obtaining success.

ELISIE M. SANDERSON,  
President, J. H. A.

Junior Hospital Aid.  
Secretary's Report 1917

During the year 1917 the Junior Hospital Aid has held nine regular and two special Business meetings; also, its members on some thirty-two Wednesday afternoons have met in the Club Rooms to sew.

At the Annual Business meeting on the tenth of January the Executive for 1917 were elected, and afterwards were instructed in the requirements of their various offices.

In February we received word from the Women's Hospital Aid that they had given us entire charge of the afternoon tea and sale of some made cooking in connection with their Annual Rummage Sale; for which concession we wrote expressing to them our appreciation. Contributions of clothing from Mrs. David L. Wright and Mrs. George Scott were received and taken to the hospital. At the meeting it was decided that fees should in future be collected at the beginning of each year, instead of towards the end as had formerly been done. A letter was received from Captain Mary Plummer, in which were enclosed acknowledgements from soldiers who had received our Christmas packets.

During March the J. H. A. sent to the Hospital one dozen squares, one dozen petticoats and one dozen dresses. We were indebted to Miss Hicks for a contribution of magazines, which were distributed among the patients by the visitors for the month, who reported that they had also taken oranges and flowers.

New burners for the electric heater in the Infant's Ward were supplied in April.

The May Business Meeting was taken up with arrangements for our Annual Lawn Talent Tea, which was to be held on the twenty-sixth of June. We were awarded the privilege by Mr. W. J. Verity of using the grounds about his home on this occasion. Convenors for the different tables were appointed.

As the J. H. A. had a good supply of made up clothing on hand, and as many of our members were starting on early holidays, we decided to continue our sewing meetings only until the end of May, and resume them again until the first Wednesday in October.

Tuesday, the twenty-sixth of June, proving to be an exceptionally stormy day, the Lawn Party of the Junior Hospital Aid was held in the Club Rooms as a Talent Tea. Despite the bad weather many people came, and the sum of \$44.76 was added to the treasury. During the months of June three dozen squares, one dozen dresses and one dozen petticoats were sent to the Hospital.

In September three dozen squares, one dozen dresses and one dozen petticoats were sent to the Hospital. From among our members to assist the Women's Hospital Aid in serving tea at the graduation of nurses on the twenty-seventh.

At the October Business Meeting convenors were appointed and their assistants selected, to take charge of the tea table and the home-made cooking booth during the Rummage Sale. In these two days, the first and second of November our treasury was augmented by \$39.42. Four dozen squares were taken to the Hospital in October.

At the November meeting the Treasurer was authorized to arrange for the annual subscription to good-keeping for the nurses; and two of our members were given charge of buying and sending to the Hospital, a box of apples as a Christmas gift to the patients.

A nominating committee was appointed in December to approach members for office for the coming year.

SCOTLAND  
(From Our Own Correspondent.)  
Rev. Father Brennan of LaSalle spent a couple of days last week, with Mr. Thos. Dunn, Mr. and Mrs. Fred Malcolm of Brantford spent last week with Mrs. D. Malcolm.

What might have been a serious fire was notified in time at the hotel on Saturday.

Mrs. D. Malcolm spent last Friday visiting friends at Zion.

Mr. Tom Dunn, spent the weekend in Hamilton.

The elections came off quietly on Monday the successful ones for Police trustees were: Messrs. W. M. Smith, Wm. Stuart and Mr. Thornton.

We are sorry to report the serious illness of Mrs. S. Hunter in Brantford Hospital and hope for a speedy recovery.

We are glad to report Mr. T. Howson is improving from his sickness.

The evaporator has started up drying cabbage and turnips.

HATCHLEY  
(From our own Correspondent.)  
Miss Phoebe Stokley of Ingersoll is visiting her sister, Mrs. Silverthorne.

Misses Myrtle Rutherford and Mildred Harley, of Burford, were recent guests of Mrs. B. Burtis.

Mrs. F. Rush, Misses Verna and Phyllis Rush spent a few days in Hamilton last week.

A speaker from Brantford will conduct the church service next Sunday.

The Sunday school was reorganized at a meeting held on Friday evening. The following appointments were made:

Supt., Mr. G. Emigh.  
Asst. Supt., Mr. R. H. Root.  
Sec.-Treas., Mr. L. Beckham.  
Auditor, Mr. B. Burtis.

Organist, Miss C. Yates.  
Asst. Organist, Miss L. Morris.  
Teachers: Senior Bible class, Mr. G. H. Morris; junior bible class, Mr. C. F. Yates; intermediate, Mrs. B. Burtis; senior primary, Mrs. W. Somers; junior primary, Mrs. R. Armour.

BURFORD  
(From Our Own Correspondent.)  
Mr. H. Stuart who is staying in Galt spent a few days in the village.

Miss Batchelor of Brantford, is visiting her sister, Mrs. Whakker.

Mr. O. E. Wilson who has been on the staff of the Advance for the past six months left for Welland last week where he will reside in the future.

A very successful dance was given by the Girl's Military club at the Armories on New Year's eve. The

proceeds amounted to over seventy-five dollars.

Miss Lena Robinson is visiting this week in St. George.

Miss Mabel Carter returned to school at Hamilton last Thursday.

Miss Mary Muir of Woodstock, visited, Mrs. W. K. Muir last week. Commencing Monday Jan. 14th the business places in the village will close at 6 o'clock on Monday, Wednesday and Friday evening, instead of at 7 o'clock as formerly. As there is so little done between the hours of 6 and 7 o'clock it was felt that little or no inconvenience would result by closing at 6 o'clock.

The funeral of Mrs. Norrie who died at her home on Sunday took place to Brantford on Tuesday. The following men are the village police trustees for 1918: George Ausleybrook, A. B. Messecar and Wm. Crichton.

Mr. Ira Shaver has been engaged by Mr. Ginn to drive his bread wagon.

The open air rink on the old bowling green is now in full swing.

Mr. Bert Hoffman is severing his connection with the Powdered Milk factory and is going on his father's farm near Tillsonburg.

Mr. Chas. Johnston has purchased a new horse to replace his old faithful one. If the old horse had a dollar for every ton of coal it drew to the people of Brantford it would have the finest monument in the cemetery over its grave.
