#### We'll Never Let The Old Flag Fall

Here we give Canada's great marching song. It has been sung by Theodore Martin at all the leading Scottish concerts in New York, Boston, Philadelphia, and elsewhere, creating a real furore—literally bringing the audiences to their feet in a patriotic fervor.  
 The words of the song were composed by a Colchester man, A. B. McNutt, born at Salmon River, Truro.

Britain's flag has always stood for justice,  
 Britain's home has always been for peace;  
 Britain's foes have known that they can trust us  
 To do our best to make the cannon cease,  
 Britain's blood will never stand for insult;  
 Britain's sons will rally at her call,  
 Britain's pride will never let her exult,  
 But we'll never let the old flag fall.

Chorus  
 We'll never let the old flag fall,  
 For we love it best of all;  
 We don't want to fight to show our might,  
 But when we start we'll fight, fight, fight,  
 In peace or war you'll hear us sing  
 God save our flag, God save our King,  
 At the ends of the world the flag's unfurl'd,  
 We'll never let the old flag fall.

Britain's sons have always called her mother,  
 Britain's sons have always loved her best;  
 Britain's sons would die to show they love her,  
 The dear old flag laid on each manly breast.  
 Britain's ships have always ruld' the ocean.  
 Britain's sons will serve her one and all;  
 Britain's sons will show their true devotion,  
 And we'll never let the old flag fall.

Mark This Man  
 Breathes there a man with soul so dead,  
 Who never to himself hath said,  
 "My trade of late is getting bad;  
 'I'll try another muslin ad'?"

If such there be, go mark him well;  
 For him no bank account shall swell,  
 No angels watch the golden stair  
 To welcome home a millionaire.

The man who never asks for trade  
 In local papers oft displayed,  
 Cares more for rest than worldly gain,  
 And patronage but gives him pain.

Tread lightly, friend, let no rude sound  
 Disturb his solitude profound.  
 Here let him live in calm repose  
 Unsought except by men he owes.

And when he dies go plant him deep  
 That nought may break his dreamless sleep,  
 Where no rude clamor may dispel  
 The quiet that he loves so well.

And that the world may know its loss  
 Place on his grave a wreath of moss  
 And on a stone above, "Here lies  
 A chump who wouldn't advertise"  
 —Bavie County Record Mockville, N. C.

Italian Troops Capture Monte Cimone from the Austrians  
 Rome, July 25, via London — Italian troops have captured Monte Cimone from the Austrians, says the official Italian statement issued to-day.

#### KEEP CHILDREN WELL DURING HOT WEATHER

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevents stomach and bowel troubles, or if trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

#### Fierce Hand-to-Hand Fighting on British Front

London, July 25—There were fierce hand-to-hand combats and bomb fighting at various points along the front in Northern France during the day, says an official statement given out by the War Office tonight. An attack by German infantry on the village of Pozieres from the northeast was driven back by British artillery fire.

The statement follows: "Throughout the day there has been fierce hand-to-hand combats and bomb fighting at various places along the battlefront. The Germans attempted an infantry attack on Pozieres from the northeast this afternoon, but were driven back by our artillery fire.  
 "Between the Ancre and the sea no important incident occurred."

Paris, July 23—The fighting in the fortified village of Pozieres between the British and the Germans is described as follows by an officer who was wounded in the struggle:  
 "Early Sunday morning, at the moment the signal for the attack was given after a frightfully intense bombardment, the English infantry rushed to the entrance of the village, carried it brilliantly and occupied the first houses. At 11.30 o'clock the Germans counter-attacked. Their onset was extraordinary, doubtless because their courage had been stimulated, by ether, as one could tell from the odor."

Precautionary  
 (Washington Star)  
 Can you accommodate myself and family for summer board?  
 What's your politics?" inquired Farmer Cornstossel.  
 Does that make any difference?  
 Yes, I'm not going to take another chance on having the whole place stirred up with argument day an' night. All the folks that board here this summer has got to have the same politics.

#### FOOD FOR A YEAR

This represents a fair ration for a man for a year.  
 But some people eat and eat and grow thinner. This means a defective digestion and unsuitable food. A large size bottle of
