"A Royal Slave" is one of the most elaborate and beautiful melodramatic productions on the road. The scenery is the finest that the studios can furnish and is painted from photographs made in Mexico. It is something new to be able to say that at least we can herald the coming of a new play, full of new ideas, situations and staftling effects. Such is true, however, of the forth-coming production of "A Royal Save," which is put on in a most artistic manner, complete in every detail. Mr. Harry Gordon has always brought us the finest attractions and he assures us this is his best. The play will be seen at the Grand on Tuesday night, June 5.
