Pressing and Cleaning Service Free to Men

Young Men's Suits

We have always tried to have a good assortment of young men's suits in our men's clothing department. This year we have done better than ever before. The models are better. Materials are unusual. Workmanship equals that of custom tailors, if it does not excel. And to all this we have arranged to give all our customers, free, with the purchase of a suit or an overcoat, six coupons, which will entitle them to six free pressings of either a suit, overcoat or two pairs of pants at any one time, thus rendering them the utmost in service, and please remember that

Our Fair-Price Banner waves over all

Herring bone effects, hair lines, fancy mixtures, plain blues, grays, browns, in the fabrics that young men like best.

\$16.50 to \$42.50

Gabardines

These Rain-or-Shine Gabardines are \$32.50 and real coats

It would sound too much like tooting our own horn to say out loud all the good things that deserve saying about these Gabardines at \$32.50. There are features that will do their own talking and any man with a Gabardine leaning will be interested in the way they'll say it to him. Such coats can be well worn any time, anywhere. They are in the popular tans, quarter lined with waterproof lining, full belted, come and see them

Boys' Suits

\$12.00 to \$16.50

After a long and careful study, we have made this important department the most complete of its kind. The selection of a boys' suit is a problem that should be looked upon from different points of view, the grown-up boy with the vivacity of life has his own taste and desire to satisfy in choosing his suit. The parents must also be satisfied, their pride in the boy be gratified. This suit must be of good quality and must give the longest service possible. The price must be low and consistent with quality. Boys and parents will find all these points in these suits and we have them in very pretty patterns, belted with patch or slash pockets, in sizes up to 36.

We also have juveniles suits that we sell from

\$3.75 up to \$10.00

MANY AT FUNERAL OF J.W. VANDERBECK

The funeral of the late John W. Vanderbeck took place at three o'clock Tuesday afternoon from his late residence Millerton, and was the largest seen in this county for many years. Residents from Tabusintac to Boiestown gathered to pay the last respects. The service at the house was conducted by Rev. A. McN. Matthews, assisted by Rev. Mr. Scott and Rev. H. T. Montgomery, and a mixed choir rendered "Jesus Lover of My Soul" and "Abide With Me," favorite hymns, after which the funeral cortege wended its way to Ferguson's Presbyterian cemetery, Derby where interment took place. The floral offerings were many and beautiful. The Provincial Government was represented by Charles J. Morrissy, M. L. A., while J. S. Martin, M. L. A., and Fred W. Fowle, M. L. NORTH'D WILL BE LEFT VACANT

Fredericton, May 5—The government's meeting closed this morning. Hon. C. W. Robinson said that it was unlikely any action could be taken regarding a by-election to fill the vacancy in Northumberland until the return of Premier Foster. The suggestion has been made that if Mr. Justice Barry's decision declaring the last election in Restigouche County void is sustained by the court of appeal there might be elections held simultaneously in Restigouche and Northumberland. The court of appeal decision is not expected before June.

MIRAMICHI UTILITY POULTRY CLUB

The Miramichi Utility Poultry Club held a Public Meeting on Tuesday evening, May 3rd. This meeting was to have been held in the Town Hall, but owing to the number present—which was between thirty and forty, including Newcastle citizens and a few from Chatham—it was held in the Police Magistrate's Office.

Mr. G. R. Wilson, of Moncton, Poultry Superintendent for N. B., gave some very useful information, including in his lecture, the feeding and caring for of chickens until developed, ways and means of curing various chicken diseases and the feeding and fattening of the cockerel.

After Mr. Wilson's interesting talk the meeting was open for discussion and many questions were asked and answered.

BOARD OF TRADE AND RAILWAY

Moved by H. J. Logan, Amherst, and seconded by Albert E. Trites, Salisbury, that this meeting declares that the old Intercolonial should be operated directly under the Department of Railways and that the freight and passenger rates on said road should be made in accordance with the terms and promises under which Nova Scotia and New Brunswick entered confederation.

Moved by L. W. Simms, St. John, and J. S. Smiley, Amherst:

Whereas, this meeting has been advised that it is the intentions of the governments of Nova Scotia, New Brunswick and Prince Edward Island, to make representations to the Dominion government in respect to the management and rates on what was formerly the Intercolonial Railway of Canada.

TWO CHILDREN ARE BURNED TO DEATH

A sad and fatal tragedy occurred yesterday about 2 o'clock in Douglas town, when the Old Anderson building on the shore, and occupied by Mr. Willis McKenzie and family was burned to the ground, and Mr. McKenzie's two small boys named Renford and Douglas, aged two and three years respectively were burned to death. It appears that the mother had left her home for a few minutes to cross over to a neighbor's house, and left the two children in bed in the house. On her return she found the house in flames and it was impossible to enter the building to save the children. On recovery of the bodies it was found that one of the children had been suffocated by the smoke while the other body was badly burned. It is thought the fire originated from a defective flue. The parents and community are grief-stricken over the sad fatality.

HAPPY HOUR ON WEDNESDAY

The remarkable success of "Miss Hobbs," the first Wanda Hawley starring production, created such a furore in this city that Manager Richards of the Happy Hour Theatre has been besieged with questions as to when the young comedienne's second starring photoplay would be shown. He is now able to announce that "Food for Scandal," adapted from the Paul Kester farce, "Beverly's Balance," will be presented for one day Wed. with Miss Hawley For and a cast equal in ability to that which made such a success of the star's initial offering.

It is said that this new play is entirely different from "Miss Hobbs." Realart arranged this with premeditation in order to demonstrate Miss Hawley's versatility. The actress appears as Sylvia Figueroa, a girl of proud old California family whose depleted finances cause her to become "Maybelle Flowers," the "Kissing Girl" of the "Vanities." And, of course, no end of fun commences when into the plot are stirred one poor lawyer-lover, several stage door "Johnnies," a wedded pair who do and don't want a divorce, and an Italian count with pronounced amatory intentions. The transition from daughter of a famous Spanish-California rancher to show-girl gives the stage splendid opportunity.

Special interest attaches to "Food for Scandal" because the scenes at the "Dane-Figueroa" ranch of the story were taken at no less famous a shrine than Ramona's Home at San Diego, California. "Food for Scandal" was adapted from "Beverly's Balance," by Edith Kennedy. James Cruze directed.
