BAD AUTO COLLISION HERE LAST NIGHT

Last evening a serious automobile collision occurred at Hennessy's corner in which Mr. Elmer Ahearn of this town was badly shaken up and severely hurt. That he was not fatally injured is a miracle. Mr. Pearl Stewart accompanied by Elmer Ahearn and other friends was driving down McCallum street when a new car owned and driven by a man named Russell of Nelson who was coming down Jane Street intending to cross the Morrissey bridge, both cars collided, side-on Ahearn being on the side of the car which was struck. When picked up he had been driven over the driver to the other side of the car. He was unconscious and severely hurt about the head and body but it is not thought that any serious internal injuries were sustained.

Mr. James Ashford of Antrim, N. H. who is visiting relatives here and who was also in the car with Stewart and Ahearn received a severe cut on the arm. Both cars were badly damaged. Ahearn was taken to his home, where his injuries were attended to and it is reported this morning that he is resting as comfortably as can be expected under the circumstances.

Eat And Grow Thin
 No longer need you surrender sweets when reducing! Listen to this, from the address of Dr. McLester to the annual convention of the American Medical Association: "The effort of many obese people said Dr. McLester, to avoid all starchy foods and to eschew all sweets is without reason. Carbohydrates are the chief source of energy for the maintenance of body temperature and, in overwhelming measure, for the production of work. Not only are simple sweets, when credited with the proper caloric value, of no harm, but when taken at the proper time they will permit the patient to rest satisfied with a smaller quantity of food." There's the Emancipation Proclamation of those who have cut out candy in order to reduce.
