### Knock Down Motor Engines.

4 H.P., \$110.00; 8 H.P., 2 CYLINDER, \$175.00.

A new idea in Motors. We have secured the agency for the celebrated "Knock Down Motor Engines." Each part of these engines is made so perfect, that it is not necessary to assemble and test the engine before shipment. You save the cost of all that work by doing the work yourself.

All parts of the engine are carefully packed and shipped just as they come from the automatic machines at the factory—not even painted—full directions for assembling, including a picture with number and name of each part, are sent you. The Company guarantees that every part will fit perfectly, and that any man who can read English and use a wrench can set them up.

These engines are guaranteed exactly the same as common engines that have been fitted and tested at the factory and sold at double the price. Why not save a month's wages by setting up your own engine.

These engines are 2 cycle. Price guaranteed to May 15. Terms: half cash with order, balance on arrival. On rush orders, cash wire order and have engine sent by express. Purchaser to pay difference in charges.
