ty Found Old City in C. America

VALLY BELONGED TO MAYA IANS MANY YEARS AGO.

undeveloped and beautifulcentral America, rocked by e and torn by revolution of a great aboriginal city. to the ancient civilization Maya Indians, have been uny a British archaelogical under the leadership of

etails of the discoveries in of British Honduras have ought by the Rt. Rev. E. A. Bishop of the Episcopal Dio-

which has been named by party, Lubaantun, a Maya aning "fallen stones," is high Rio Grande river, British and its branch, the Colum-

Maya Indians, Dr. Gann companions made their way the bush and jungle toward reaches of the Rio Grande. found at their destination an pyramidal mound faced blocks cut out of lime-Rising to a height of 300 feet the river valley in a series of erraces, the mound itself n a great terrace which holds smaller cut stone-faced occupying an area of at square mile.

on the explorers found a tone staircase, fifty-five feet eading up to an imposing cture, 132 by 36 feet. mmit of the mound the relarge burial vault, now were discovered, and Dr.

of the opinion that all the

so far observed are the

its of priests and kings. ves who guided the Gann say the ruins extend for every direction, and a comamination of the ancient cities the work of years. A great the destruction was due, not avages of time but to great which grow right through the

Understood Building.

alls of the discoveries, first Bishop Dann, show that t Mayas knew how to build on a grand scale. They something of astronomy, a system of picture writing hs not as yet yielded to the efthe translator, but it is known
hn several true phonetic charand had thus more nearly detinto a true alphabetic or language than the Aztee lan-

Mercic.
To of the discovery shows revellers had taken their rumors current among the

travellers had taken their
a rumors current among the
of Honduras, and had fitted
upedition on the chance of
this the fabled stone city of
mor.
The Punta Gorda, 160 miles
Belise, they pushed up the
de in dugouts plioted by Indes. Twenty-five miles up,
the boat capsized, flinging him
casing the loss of valuable
the result was that the party
their in the jungle for twenty
a savage tropical rainthe little party was badlyby a host of tropical insects,
the swollen by the rain, rose
was impossible to proceed
and the intrepid little party
teurn, baffled but undaunted,
Gorda. There they obtained
and began a terrible ride
the jungle. They were comback their way with axes.
Its were frequently caught in
the finally arrived at a
tan village, where the nae extremely primitive. Here
ta Indians were obtained as
and the party pushed on
the bush to reach the great
the dead.

Dunn, who is in this city

Dunn, who is in this city drpose of awakening interest rish of British Honduras, 2 at St. George's Church on orning, and at the Church bent on Sunday evening. He trate Holy Communion at 8 Sunday morning, and he same church at 4 o'clock

son of the late Bishop Dunn and before leaving Canada years ago, had charge this province.—Montreal
