A Wise Decision

It will not be a matter of surprise to learn that His Excellamation calling for a Bye-Election at this period. By the appresentation of St. John's East in the House of Assembly. The law concerning Legislative Disabilities provides that in case of such a vacancy for the issue of a writ, by the Governor, within six months for an election to fill it, but does not say when the elecmonths having expired) a dele- prisonment. led by Mr. A. E. Hickman and was discharged. including Mr. P. J. Cashin called a writ should be issued. To-day ise that he would make good. the delegation was informed that the Governor after consideration had decided against the issue of

the reasons for this decision are terday, inward. Leaving this afterthe following:-

- 1. The district is already adequately represented.
- 2. The cost of preparing voters lists (including women) | mouth. election would be great.
- 3. The district has been carved up by the new Redistribution Act, and will day, coming south. general election.
- 4. Work on the Dry Dock and public roads would have to cease during the election. 5. Conditions generally make
- all elections at the present time undesirable.

The following are instances (of which there are probably others) in which vacancies have not been filled within six months of their occurrence:-The death of the late Hon. A. W. Harvey, in 1903, left a vacancy in Hr. Grace for two years. Early in 1908 a vacancy was created by the ap- to his religious qualifications, Mr. 1903, left a vacancy in Harbour Cox is a well-known scientist, with In the matter of the Insolvency of pointment of the present Mr. special interest in astronomy. A Justice Kent as Minister of Justice, and was not filled until the Britain and America on that subject, general election of that year, and and has addressed many thousands til Saturday the 22nd inst. his seat was vacant again from of people in both countries.
