

**Express Robbery.**—The American Express Company now state that the amount of their loss at the robbery on the Great Western Railway was \$40,120, and they offer a reward of \$20,000 for the apprehension of the guilty parties. A meeting of the creditors of Messrs. Adam Stevenson & Co. was held the other day in Toronto, when arrangements were effected which will enable the firm to resume business at an early date.

On Saturday Robert Allan, a farmer, living near Chesley, County of Bruce, got a scarf he wore round his waist caught in the tumbling shaft of a threshing machine, and was almost cut in two. He died the following morning in great agony.

**THE RECENT CASE OF DEATH** by stopping reasoning from taking SYRUP OF HYPOPHOSPHITES, noticed in the Montreal Daily Witness, of August 1st, endures great credit necessary to be conferred on Dr. Wheeler's Compound Syrup of PHOSPHATES and Calissava, with COMPOUND SYRUP OF HYPOPHOSPHITES. Observe well the difference in orthography, and bear in mind that medicinally there is no similarity in action or effect. PHOSPHATES ARE ABSOLUTELY NECESSARY to sustain life, being an element of every solid and fluid of the body, and they are incapable of injurious results at any period from infancy to old age, or under any possible condition of the system, and no more harm can be done from taking more than the prescribed dose than from eating too heartily a dinner. dcbw2

**ALLEN'S LUNG BALSAM**  
 Is the great modern remedy for Coughs, Cold, Consumption, Asthma, Croup and Bronchitis. It is recommended by Physicians everywhere, who are acquainted with its great usefulness.  
 Dr. A. L. Scovill, of Cincinnati, Ohio, says:—  
 "I have witnessed its effects on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For coughs, and all the early stages of lung complaints, I believe it to be a certain cure; and if every family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to rise without irritating those delicate organs (the lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night sweats, and changes all the morbid secretions to a healthy state."  
 Sold by all Druggists. Price \$1 per bottle.

**G. B. FRASER.**  
 In consequence of the late great fire in Montreal, Messrs. McIntyre, French & Co. have sold the balance of their stock saved from the fire \$200,000 at auction, of which G. B. FRASER bought largely, at such low prices as will enable him to sell  
**Dry Goods this Winter much cheaper than any other Store in Guelph!**  
 FRASER'S store is crammed from cellar to attic with cheap goods. The rush of customers to FRASER'S for the cheap smoked goods is enormous, which causes other merchants to grumble and growl. Still FRASER is determined to look after the wants of his customers, no matter what others may think.  
 Being the only merchant in Guelph who attended the Great Auction Sale in Montreal, can state with confidence that he can show Goods at prices much below their regular value.  
**Parties buying at FRASER'S will save more money than they would elsewhere.**  
 Strangers to his store should try the experiment. FRASER keeps a general store where all can get suited without having the trouble of going all over town.
