THERE ARE CASES of consumption so far advanced that Bickel's Anti-Consumptive Syrup will not cure, but none so bad that it will not give relief. For coughs, colds and all affections of the throat, lungs and chest it is a specific which has never been known to fail. It promotes a free and easy expectoration, thereby removing the phlegm, and gives the diseased parts a chance to heal.

FOR INFLAMMATION OF THE EYES. Among the many good qualities which Farmolee's Vegetable Pills possess, besides regulating the digestive organs, is their efficacy in reducing inflammation of the eyes. It has called forth many letters of recommendation from many letters afflicted with this complaint and found a cure in the pills. They affect the nerve centers and the blood in a surprising active way, and the result is almost immediately seen.

Letters to the Editor.
MR. TARTE.
To the Editor of The Advertiser:
Sir: In order to settle a dispute will you please state in your paper

MAY REOPEN DISPUTE WITH STREET RAILWAY COMPANY

Ald. Dreaney Wants the Rectory Street Line Operated.

This was the most important matter dealt with by City Council.

The city council had a meeting last night at which very little of importance was done. It is possible, however, that through it, the old dispute with the London Street Railway Company, which has been languishing for some time, will be reopened. At least a new motion, which brings it to the front again, was made, and referred to the city solicitor.

Ald. Dreaney moved that the London Street Railway Company be notified to at once carry out their agreements and the instructions of the council in regard to the repair of Rectory street, and the running of their cars thereon; and in default of so doing, that they forfeit all rights and privileges granted them by bylaw No. 916 or any other bylaw relating to the same.

He said that it was well known that the company did not intend to run either the Rectory street line nor construct the Hamilton road extension, after they got the Beaconsfield avenue route. He said that the council thought that the company was composed of men who would abide by their agreements, but had found out their mistake. The company had not carried out their agreements with the city, and Ald. Dreaney wanted them forced to do so. The company, he said, don't want to do this and don't intend to.

It was agreed to send the motion to No. 1 committee to interview the solicitor to learn what legal right the city has to adopt it.

CITY HALL IN DEMAND.
The free use of the city hall was granted to the ladies' advisory board of Victoria Hospital for Wednesday evening, Nov. 12, for a band concert in aid of the hospital. The use of the city hall was much sought after last night. The Painters' Union asked for it for two band practices in preparation for a parade to divine service on Sunday. H. E. Baird & Son wanted it for a convention of the brick and tile makers of Ontario for Nov. 12. The British Methodist Episcopal Church asked for the use of the hall for a concert for the benefit of the church. These applications are being considered by the city treasurer to see in the latter case that the concert be held on a night which will not conflict with municipal meetings. The hall was

Rev. S. B. Culp, the pastor of the Christian Church, corner of Dundas and Elizabeth streets, has held evangelistic meetings in five states of the Union. He is an extemporaneous speaker, knows what he wants to say and presents it with much power and earnestness. Rev. Mr. Culp is conducting revival services at evening this week at the Christian Church.

Nutrition in Its Best Form.
MALT BREAKFAST FOOD
Promotes and Maintains Health and Strength.

Malt Breakfast Food is a true health food. No other cereal food gives such a scientific concentration of life-giving nutrients as the most delicious and appetizing food ever given to the public, and being partially predigested, the weakest stomach easily assimilates every particle. Malt Breakfast Food is the only breakfast cereal that has received the approval of the best physicians and the most noted food specialists. Its delicate flavor and great nutritive properties make it a food of wonderful value for invalids and convalescents. Once used, it becomes a necessity in the home. All Grocers sell it.

Dr. Albert Leighton Rawson, widely known as a writer and illustrator of fiction, is dead at his home in New York, aged 44. In 1872 Dr. Rawson married the daughter of Laura Keane, the actress, who came into fame through playing the leading woman on the stage of Ford's Theatre in Washington, on the night President Lincoln was assassinated.

RUNNING OF STREET CARS.
No. 1 committee recommended that a letter from Coroner McLaren, respecting the agreement between the city and the case of the Campbell boy, death referred to the council of 1903.

It was thought, however, that some action should be taken in this matter. Upon motion of Ald. Winnet it was decided to bring the verdict to the notice of Manager Carr, and that in future the agreement which exists between the city and the company, which should insure slow speed of cars at certain crossings, should be enforced.

W. M. Spencer and other property-owners on Dundas street between Waterloo and Wellington streets, asked that the city remove the trees in front of their premises. A number of owners along the same block asked also for permission to remove the curb on the north side of this block, so that rigs might go freely close up to the sidewalk. Some objection was made to this and both petitions were sent to No. 2 committee.

BADGERING ALD. COOPER.
Ald. Douglass asked Ald. Cooper if it is the intention to fix the crossings on Richmond street leading towards St. Paul's and St. Peter's Churches. Ald. Cooper replied that these crossings had been kept as clean as possible, but for any repairs, he referred Ald. Cooper referred Ald. Pritchard to the same authority for knowledge respecting the reason for the unsatisfactory condition of Talbot and King streets.

Ald. Cooper was asked also by Ald. Stevely why the crossings at the corner of King and Clarence streets were left in an unclean condition. Ald. Stevely said that the crossings that Ald. Douglass had spoken of were marble halls compared with these.

Ald. Cooper replied to all these questions with the same statement—that the city engineer controlled all this work, and that they could expect nothing else so long as the engineer has the power that has been given him.

Ald. Douglass moved that the city engineer be instructed to repair the crossings on Richmond street at Dufferin avenue, Kent and Albert streets, and at York and Talbot streets. Carried.

REFERENCES TO COMMITTEES.
No. 2 Committee—W. H. Bartram, re repairs to Cavendish street; Hy. Taylor, re the state of tiles being put in at Grand avenue; W. Bartlett and others, for cement walk on the south side of Dufferin avenue, between William and Maitland streets, and the L. E. and D. R. Company's petition for permission to extend their sidings east on Bathurst street to William street. The mayor and relief inspector will deal with the application of Elizabeth Black for admission to the Aged People's Home.

IF LIFE LOOKS BLUE

Follow the Advice of Those Who Know by Experience, and Use DODD'S DYSPEPSIA TABLETS.

One of the saddest moments in life is when you are brought face to face with a square meal and are afraid to eat it—when you know that eating now means suffering later.

That dyspepsia, the enemy of cheerfulness, it comes into every moment of your life, because you must eat to live, and you must suffer if you eat.

And the worst feature of it is that many people go right on suffering year after year under the hopeless conviction that dyspepsia is incurable, and that nothing can be done to help them.

There people have probably heard of Dodd's Dyspepsia Tablets, but they have never used them. Other people have heard of and used Dodd's Dyspepsia Tablets, and they know different and tell a different story.

Juliana Sandberg, of 221 John Street north, Hamilton, is one of the latter. Listen to the story she tells:

"For over six years I had been troubled with dyspepsia and headaches," she says, "nothing I ate would agree with me. I tried several medicines, but I could not get any cure till I was advised to try Dodd's Dyspepsia Tablets.

"I got one box, and the relief was so great that I continued using them, and I am now completely cured."

Hearing of Dodd's Dyspepsia Tablets won't cure dyspepsia, but using Dodd's Dyspepsia Tablets will cure dyspepsia. Thousands of people who have used Dodd's Dyspepsia Tablets will tell you so.

POPULAR PASTOR RESIGNS

Rev. Thomas Wilson, of King Street Church, Gives Up Charge.

Rev. Thomas Wilson, pastor of the King Street Presbyterian Church, has announced his resignation of the pastorate which he has filled so successfully and acceptably for the past seven years. Mr. Wilson gave as his only reason for resigning the fact that he considered the time had come when another pastor could do better work in the church than he could. In the interests of the church he wished to give place to a new pastor. He dwelt upon the fact that his relations with every member of the church had been most cordial, and that he was parting with them with deep regret. The congregation was greatly surprised at Mr. Wilson's announcement. After the evening service a meeting of the session was held, when it was decided to strenuously oppose the acceptance by the Presbytery of Mr. Wilson's resignation. The Presbytery meets at Glenoe on Tuesday next. Mr. Wilson will remain a resident of London till he receives a call to some new field.

Unimpeachable
If you were to see the unequalled volume of unimpeachable testimony in favor of Dodd's Sarsaparilla, you would upbraid yourself for so long delaying to take this effective alterative and tonic medicine for that blood disease from which you are suffering.

It eradicates scrofula and all other humors, and cures all their inward and outward effects.

Take Hood's.

YOU NEED NOT COUGH all night and disturb your friends; there is no occasion for you running the risk of contracting inflammation of the lungs or consumption while you can get Bickel's Anti-Consumptive Syrup. This medicine cures coughs, colds, inflammation of the lungs and all throat and chest troubles. It promotes a free and easy expectoration which immediately relieves the throat and lungs from viscid phlegm.

The policy that depopulates.

Six millions of people in Canada!
Seventy-six millions in the United States.
Canada immigrates raw labor from Europe, and EMIGRATES Skilled Artisans to the United States!

Canada contains altogether, less than 17 times as many people as there are CANADIANS now living in the single State of Massachusetts.

Why this tremendous leak?
Because of the blind purchasing by Canadians, of anything which is made in the United States, regardless of value.

Because of 25% higher wages paid Canadian workmen, in the United States, to make goods which may be sold back to Canada, plus the 25% higher labor cost, and plus the 25% Customs duty.

Canadians who buy UNITED STATES SHOES, merely because they are "not made in Canada," foster that EMIGRATION of skilled labor which is the curse of this country and of home industries.

No United States Shoe, with a 25% higher labor cost, and a 25% Import duty, can have 60% of the solid value put into the "The Slater Shoe" for men and women.

Sold in free trade England in, open competition with the best United States shoes.

Made in Canada by Canadians, and a credit to the nation.

Observe trade mark.
