SHORTHAND.

The ability and success of the graduates of our shorthand department is the most convincing evidence that we have the very best system of instruction, and we feel satisfied in saying that we are placing our graduates to better advantage than any other school.

We have the most up-to-date telegraph and shorthand college in Canada, with schools in both London and St. Thomas. We also hold the goodwill of all the railways and have the G. T. R. mail line wires in each school, and we feel that we have an advantage in the education of our students, as well as an advantage in the placing of them in positions.

Our fall term—day and evening classes—will commence Monday, August 31, and we urge every prospective student to arrange to start on that date, or secure our mail course without delay. For further particulars, call or write or phone. THE CANADIAN TELEGRAPH AND BUSINESS COLLEGE, ST. THOMAS.

GREAT PRIORY ADVANCE GUARD

Fifty Knights Templar Arrive From United States.

THE MAIN BODY IN TODAY

Arrangements for the Parade, Which Will Be a Big, Impending Turnout.

Toronto, Aug. 11.—About fifty Knights Templar from the United States had arrived in town by noon today to be present at the assembly of great priory to be held in Toronto tomorrow and Thursday. Many more will arrive tonight and tomorrow morning, and altogether it is expected that fully two thousand Knights Templar will be in attendance.

The parade will be unique in the history of parades in Toronto. All in line will be decked out in full regalia and the sight will be a novel one for Torontonians generally. The local lodges had their final preparations at the St. Lawrence arena last night, and all is in readiness for the opening of the assembly.

Tomorrow's Proceedings.
Tomorrow morning the local Knights will meet the incoming trains and boats to conduct the visiting commanders and preceptors to their respective quarters. A registration bureau has been opened for the convenience of the visitors on King street just east of Bay street.

At 9:30 the supreme grand master, M. Em. Sir Knight A. A. Campbell, and his staff will be escorted from the King Edward Hotel to the Alexandra Theatre, where the great priory will be conducted.

In the afternoon a reception will be tendered to the Sir Knights and ladies at the King Edward.

In the evening a ball on the lake will be had on the Cayuga, being tendered by the local members to the visiting Sir Knights.

Parade on Thursday.
Thursday morning a formal reception will be held at the Royal Alexandra. In the afternoon will be the parade.

At 1:30 the visiting United States commanders and the Canadian preceptors will line up at the Armories. The route of the parade has not yet been decided upon, but the Templars will journey to the island, where an exhibition drill will be given by the Detroit commanders.

A special programme has been arranged for the ladies. Principally it consists of auto and trolley rides around the city with receptions galore. All the military bands of Toronto have been engaged to take part in the procession, and in addition the Lake Erie commandery, Buffalo, will have along the Sixteen Regiment band and a special bugle band.

Among the prominent visitors will be Judge D. F. MacWatt, Sarnia; Senator J. V. Ellis, St. John, N. B.; Senator William Gibson, Beauséjour; Hon. D. C. Fraser, lieutenant-governor of Nova Scotia; J. B. Tredder, Montreal; Will H. Whyte, Montreal; M. Em. Sir Knight Rev. Henry W. Rugg, grand master of the grand encampment of the United States, and staff; M. Em. Sir Knight General John Corson Smith, of Chicago; the grand commander of the state of New York with a staff of ten, as well as the grand commander of the State of Michigan.

The Officerships.
It is not expected that there will be any contest for the positions of supreme grand master and deputy grand master. One of the offices to be contested is that of grand constable, and it is said that Em. Sir Knight Thos. Rowe, of London, and Em. Sir Knight J. E. Saman, of St. John, are looking for great glory in the office.

For the position of provincial prior of Toronto district, the names of V. Em. Sir Knights R. W. Clewlow and C. E. Howarth, both members of Geof. Frey St. Alvens preceptory, Toronto, as well as Em. Sir Knight J. C. Irwin, of Barrie, are mentioned.

ST. THOMAS BURGLARS MISSED BIG SUM

Carried Off Revolvers and Knives, But Overlooked Cash.

St. Thomas, Aug. 11.—Sandham and Roberts, electrical and athletic goods, were burglarized last evening. The burglars effected an entrance by knocking out the fanlight at the door in the rear of the store, and after helping themselves to the goods, went out by way of the front door. Six razors, six revolvers and 24 pocket knives to the value of about \$55 were taken. There was considerable money in the safe, and the safe door was open, but this was not touched. They also neglected to tamper with the till, which contained \$112 72 in silver.

There were only 32 miles of railroad in operation in the United States in 1892, and in the 75 years to 1907 there were constructed 228,128 miles of operated railroad.

Free tickets west of Winnipeg to points where laborers are wanted within a limited territory. Return ticket, \$18, after at least 30 days' work. Full information at C. P. CARTER'S LITTLE LIVER PILLS.

CURE SICK HEAD

Headache, yet Carter's Little Liver Pills are equally valuable in Constipation, curing and preventing this annoying complaint, while they also correct all disorders of the stomach, stimulate the liver and regulate the bowels. Even if they only cure one of these troubles, they are worth trying.

As they would be almost priceless to those who suffer from this distressing complaint, but fortunately they are not, and the good news is that they are so easy to take, and so effective, that they are strictly vegetable and do not grip the bowels, as most of the others do.
