To Save Your Building Costs Means to Increase Your Investment Own your own home! A large percentage of the people who don't

could-if they knew it. It is cheaper to pay a substantial first payment on a good property and then arrange for payments that you can casily meet, than to pay rent all your life. Reliable real estate men will tell you this. But suppose you own your own home and have some money to invest. Nothing better than good homes. The rate of interest is good and your money absolutely SAFE.
