THANKS OF COMMANDER TO RED CROSS WORKERS

Lieut.-Coi. Seaborn Tells Something of What No. 10 Will Dc.

The following copy of a letter sent by Lieut.-Col. Edwin Seaborn, commander of No. 10 (Western University) Stationary Hospital, is self-explanatory: London, June 10, 1916.

accept for yourself and convey to all the Cameron, and filled up quickly with a ladies associated with you in the Red good class of young recruits, because Cross Society, the sincere gratitude of of its interesting and instructive work. magnificent work in providing us with three days, both batteries are making

All other Canadian hospitals have been provided with such supplies, and

husband them that we shall have some in any emergency.

Allow me to explain the position and consequent necessities of a stationary hospital. It is situated close to the firing line, and must be prepared quickly

to precede or follow the army as i goes backward or forward. We all know that in the terrile fighting that will soon initiate the German downfall, the march will be forward, where we will dress injured and remove them farther back. It may be that many times we will pitch our tents on yesterday's battleground. At such times our hospital requirements will be doubled, as for, as the tenets of your society pro-

I need not emphasize the absolute necessity of having an adequate supply of dressings, nor how imperative it is that they be with us.

Please be assured that it is the wish of every one of our unit to bring to the spot leaped instantly into flame, and poor wounded fellows the comfort that the aim of your many workers. Yours very gratetfully, EDWIN SEABORN, LIEUT-COL.,

O. C. No. 10 Stationary Hospital. NUMBER OF PLACES READY FOR SOLDIERS

Local Soldiers' Aid Commission Has Applications for Returned Men.

Positions for returned soldiers are already being created in no inconsiderable numbers. Many of those who have been sent back as invalids from either England or the front have already been placed, and the local "Soldiers' Aid Commission" is in a position to secure employment for more. Secretary Ed. Lance of the S. P. A. Soldiers' Club, is acting secretary of the soldiers' aid commission, and he tion when the sharp challenge announces that he has a number of sentry brought us to a halt. Our hopes applications for returned men.

from a Detroit hotel that wants two In a few minutes he had convinced Among these applications is one returned men for doorkeepers. loss of an arm or a leg will be no disadvantage, says the letter of the

A munitions factory in Galt also has applied for returned men. It offers to pay them all 25 cents an hour to start, and agrees to train them as machine operators for the manufacture of 18 pound British shrapnel shells. Machine operators in this plant work We promptly touched wood. on an 11-hour shift, alternating each week on the day and night gangs, and earn as high as \$5 per day. Laborers are paid 25 cents an hour straight and work the same shift as the men. asked for returned men to work as we entered the one-time main street. railway firemen, brakemen, and con-

Out of Bounds By A Hasbin

Another 'Ite. Fred Young (18th Battall (b) Letter From an English War Hospital.

"Nine Kilometres to --- s." We were wandering behind the reserve lines when we unexpectedly the enemy wounded must also be cared came across a signpost conveying the above information. We were aware that we were somewhere near that war-famous "Hell Hole," but hardly thought we were so near, for nine kilometres reduced to English miles only yields five and a half. Our ambition to visit that historic

at sunrise next morning we explained our desire to the major. "Out o' bounds," he replied. "Say," he added, "didn't you fellows get enough excitement when you were in the firing line this week?" Before we had time to reply he announced that we were excused duty for the day, but that we had no official permission to run into unnecessary danger. We saluted and retired. "Danger?" queried the sergeant, with a puzzled look, 'where have I heard that word be-

We were soon on the highroad, and as we marched along in the spring sunshine, we could plainly see the outline of the enemy trenches. To the right and left of us "chateaus" stood in grounds that in pre-war days must have been a delight to the eyes, but "Jack Johnstons" had entered without the preliminaries of asking admission, and wreck and ruin were everywhere. We had nearly reached our destinasergeant was equal to the occasion. self and the sentry had been fellow citizens and in boyhood days they had been schoolmates. We should not have een surprised if he had fell on that

sentry's neck and claimed him as a long-lost brother. We were allowed to pass "at our own risk." We had entered the city over a big iron-gridered bridge, and looking back saw that it bore the number "13."

All around us was an uncanny still-We felt as though we stood on enchanted ground. Not a human being Indescribable scenes of ruin met us on every side, and by the time we had viewed the wreck of the famous cathedral, we felt that we had witnessed limit of Hun "kultur," and re-

A startled "Hello" from the sergeant traced our steps. Continued on Page Three.
