Hoyt Also Effective Against Cleveland — Covaleskie Has Usual Luck Through Hurling Well.

NEW YORK, Sept. 23. — Splendid pitching by Waite Hoyt and strong hitting by "Babe" Ruth and Waiter Pipp enabled the New York Americans to win the first of an all-important four-game series with Cleveland today by a proof of 4 to 2. Hoyt was in trouble in only one inning, the fourth, when Cleveland scored its two runs on Gardner's single, Sewell's triple and a wild pitch. In the last five innings Cleveland only got three men on bases.

Coveleskle also pitched well for Cleveland, but met with his usual poor luck against the Yankees, who have defeated him five times in six games this season.

G EORGE HUNTER, one of the party of British bowlers, in an interview in the Border Telegraph of Galashiels, Scotland, also the home of J. J. Jagger, who captained the British team, has many good things to say of Canada. The towns best off for work were Hamilton and London, Mr. Hunter thought.

"Regarding* the bowling, said Mr. Hunter, they found the greens a bit inferior, with one or two exceptions, to those at home. This was solely accounted for by having sown greens instead of turfed. Out of 31 games played, 21 were won and 10 were lost, which was a very good record for a mixed team. Mr. Jagger was captain, and proved a capable leader. On the last night spent on board, the members presented him with a nice address complimenting him on the way he had conducted the tour, which In 1906 Mr. Jagger accompanied the team to Canada, and on this

Flutter in Rails At Toronto Follows Statement.

Over 500 shares changed hands, and the price advanced standily from 7114. price advanced steadily from 71½ to 74½, reacting on a final sale of eight shares to 73, a total adof eight shares to 2 to the ware of only 1½ points. The market is evidently still doubtful whether the final award of the T. S. R. arbitration board will net shareholders much more on their stock than its present price The features of the statement which will most interest the street are: First, that the cleanup deal is now ready for ratification by shareholders at the general meeting on September 30; secondly, that the company has a net surplus of one million dollars to distribute in addition to the purchase price of the street rail-way, and, thirdly, that all the funds in the company's can be distributed by July 1,

Alerts Meet Orients Today For Inter-Club League Championship

The most important amateur game of the season will be played this afternoon at Tecumseh Park, when the Orients and Alerts, winners of the first and second series of the Inter-Club League, respectively, hook up in the final game for the championship and the Martin-Lyons tronby.

Both clubs have been putting up a good brand of ball and if the first two games of the play-off series is any criterion today's battle should any criterion toda be real exciting.

be real exciting.

The Alerts captured the first game by the score of 4 to 3, after a great 10-inning struggle, while the second game found the Orients the victors by the same score.

Today's battle must settle the issue for this year, and both clubs are confident of carrying off the honors. Arrangements have been made to have William (Corker) Legg and Sam Thorpe handle the game,

so the fans are assured that both teams will have to play ball from start to finish.
