WESTERN FIVE DROP GAME TO TORONTO "U"

in First Interscholastic League Meet.

Queen City Take Locals Into Babe Dye and Roach Tun Camp by Score of 23 to 12.

The second period started with renewed energy on both sides, and there were many attempts at showing and tripping which the referee apparently failed to see.

Varsity made four baskets and cashed three penalty shots, while Western was held to one lone tally, registered after a combination rush by Callaghan and Wainwright a few moments before the final whistle sounded. The local boys were playing a much better game in this session, but they were away off in their shooting and missed chance after chance by failing to locate the center of the basket.

Both teams guarded their men well, but Varsity seemed to have the edge on shooting and this made the difference. In this period play was confined largely to Toronto territory, and the Western boys were working in earnest to raise their total. The game ended with the visitors leading by 11 points—23 to 12.

In the first period the High School amazons ran away from their opponents and rang in five baskets and one penalty shot, while the Western girls were held to four points. St. Patricks—Goal, Roach; defence, Cameron, Stuart; center, Andrews; wings, Noble, Adams; subs, Dye, Randall.

both teams battled hard all the way through.

In the final period the home squad rang in one basket, and the visitors three. Just before time was up the latter gained one more point, when Marion Drew successfully negotiated a penalty shot.

The Collegiate outfit showed better combination work throughout the game, which, coupled with their more accurate shooting and their consistent guarding tactics, accounted for the one-

KITCHENER KIDS WIN AND TIE WOODSTOCK

Easily Defeat Guelph by 8 to 2 Score and Tie-Up Group.

Special to The Advertiser.
Guelph, Feb. 4.—A brilliant combination of speed and team-play which completely baffled the locals netted the pletely baffled the locals netted the kitchener juniors an 8 to 2 victory here tonight in an 0. H. A. fixture. The win put Kitchener on even terms with Woodstock for group honors, and the first of home-and-home games will be played in Woodstock Monday night. The green-shirted kids gave a great exhibition of hockey here tonight, and but for the sterling exhibition of netguarding by Hamilton, the local's goal-keeper, they might have won by a big keeper, they might have won by a big

keeper, they might have won by a big margin.

In Werner, Schnarr, Molson and Siebert Kitchener has a wonderful forward line, and they have their combination working down to a science. With sharp, short passes, they carried the puck to the Guelph goal repeatedly, but with only the goalie to beat, Hamilton time after time either blocked their shots or went out and broke up their rushes. That he only allowed eight to pass him shows volumes for his ability.

Outside of Hamilton, Brill was the shining light for Guelph. On three occasions he stick-handled his way through the entire team for counters, and his work throughout was not equalled by a player on either team. The remainder of the locals were outchassed.

The University of Toronto intermediate basketball team went home to the Queen City Saturday night with the first scally of the season in 18 weetball teague under their beits, having detected Western University at the Medical School gym, by 23 to 12.

The local lads doubtless would have run up a larger score had they got their plays began, the visitors seemed to have everything their own way during the early minutes of the opening period. The Western boys were depending two much on passes up the sides and not working enough other plays.

The Toronto team ran up ten points, the wind on passes up the sides and not working enough other plays.

"BABE" DYE SCORES TWICE. "BABE" DYE SCORES TWICE.
Toronto, Feb. 4.—Unusual goal-keeping by Roach and the ability of "Babe".
Dye and Jack Adams to score gave St. Patricks a 6 to 5 victory over the strengthened Hamilton Tigers here on Saturday night. The visitors were dangerous at all stages of the well-contested game, and once in the second session were leading by 5 to 3.

Billy Burch made his local debut as a professional and played a remarkable game, many of the spectators being convinced that, with the exception of Roach, he was the best man on either team. Burch showed more speed than when he was with Aura Lee, and his stick-handling had the Irish defence mystified. He scored the first goal for the visitors after tricking the whole local team.

The visitors were every bit as good as the weakened St. Patricks, except when Dye got into action and he made them look foolish. Dye is far from well—the same is true of several of his teammates—but he maintained his

KASKY SKATING STAR

Takes Laurels At Dominion Championship Races by Capturing Two Events.

Special to The Advertiser.

Montreal, Feb. 4.—Kasky continued to add to his laurels in the Dominion skatting championships concluded here on Saturday, and with the 440 yards and three-quarter mile to his credit, he easily demonstrated himself to be the stellar contestant of the meet.

A close runner-up to the Chicagas A close runner-up to the meet.

A close runner-up to the Chicagoan was Gorman of St. John, N. B., although the maritime man did not figure among the premier positions Saturday. He was, nevertheless, unfortunate to be nosed out in the three-quarter mile when what appeared to be certain victory for him was cast away by a stumble within thirty yards of the tape.

Joe Moore of New York did not shine on the last day of the meet, carrying off only two thirds.

In the ladies' races, Miss Gladys Robinson of Toronto was successful in both, while in the three junior races, two went to the Maritime Provinces and one to Montreal.

A bolsterous wind and intermittent snowfalls hampered the skaters considerably, with the result that no records were broken and the times were not by any means fast.
