WENIGE MOVES

Sends Letter to Magistrate Condemning Plumbing Inspector's Efforts.

STAND AFFIRMED

The following letter, sent by Mayor Wenige to Magistrate Graydon in conection with the present case being pressed against Gordon Wright by the board of health, is to be the subject of an investigation, by Chairman Mitchell of the health body. The letter was addressed to Magistrate Graydon, and was handed to him personally yesterday:

For your information, and in confirmation of a previous statement quoted as mine, I am pleased to submit the attached letter over the at-tached signatures of Messrs. Alder-men Drage and Smith, reaffirming my position.

'That the council itself decided (June 2) that no further action should be taken against Mr. Wright in this matter until after the plumb-ing bylaw had been finally dealt with. "That bylaw has not been dealt with as yet, and there is no reason or authority for any action by the plumbing inspector. plumbing inspector.
"It was the council that decided on this, and not the mayor.

"(Signed) Mayor Wenige."
The following is the statement rom Ald. Drake and Smith referred o in the mayor's letter. Aldermen Speak

morning, "The committee sir passed the buck to the chief. reconsidered by the civic find himself in trouble. I hear that for some time members of the women's clubs of the city have been in communication with the mayor approving the chief's stand in dismissing the fireman.

Position Puzzles. "If he takes this man back they will ask the mayor to take action to deal with the chief. If, on the other bers of the council who, I imagine, would back the mayor in any action he might take.

"My own personal attitude is this, A coal oil stove in the home of The chief has told me something of The stove was in a bedroom on the second floor of the house and had just been lit by Mrs. Laudie. She left the room after lighting it and had just reached the first floor when the explosion was heard. She terests and efficiency of the department. All I want in the department is efficiency. To take this man back and I would certainly criticize the chief if he did so

"The chief of this department, as mean simply surface control, which his action crosses with their own political interests. His contro should be absolute and independent of all such interference. If we find that the chief's actions are being prevented in this respect, then we owe it to the city to get a new chief. "If the chief is being politically threatened in any way by anyone, then it is up to him to tell us and we can deal with the men who ar guilty. What did the city go to all the expense of getting a report from Dr. Brittain for if it did not intend to make some beneficial changes as a result? If the council is serious in dealing with the fire department then the chief should be given full control, not merely by a resolutio of the finance committee, but actually and in fact."
