MAIL ORDERS

We solicit out of Town orders, which receive
our personal attention. The length of time tak-
ing to fill orders is governed very largely by how
busy we are in the department of our factory in
which the particular goods are made. While
we have exceptional facilities for promptly
turning out goods, it is important to place or-
ders as far ahead as possible. Orders are filled
by us in the rotation in which they are received,
and customers can always depend on our doing
everything in reason to give prompt despatch.

SPENT \$130,000 ON THE SECRETARIES

Auditor General's Report
Shows this Sum was Laid out
in the Past Year

BAD SYSTEM

There is over one hundred and
thirty thousand dollars charged to
the secretaries of the highway
boards in the public works report.
The province has handed over
that much money to supplement the
salary labor and the taxes paid by
those who do no manual labor on
the highways and by non-residents.
Some of this large amount of
money is spent under the direction
of the highway boards, but much
of it simply on the order of the
secretary who owes his appointment
to his energy as a political worker
and who must return the favor to
the friends of his party by dividing
up the money sent by the province
among the faithful.

There's where politics injures roads.
The party man who gets the
road money, in other words, the
highway secretary, passes the word
that the member representing the
county and supporting gov't, has
arranged that about so much money
will be "laid out" in his district.
If he has plenty of sons or brothers
or other relatives, he sometimes
forgets to give out the news, before
he has given all of them jobs.
Most of the men who do this work
know where the money comes from
and feel that in rating for their
members and supporting their party,
they have earned some of it before
hand. They put in their time and
a bill and the friendly secretary
with a "lively sense of favors yet to
come" passes it and forwards the
account to the secretary of the
board of works. The figures are
checked by the officials here and
the check is sent and the political
worker is paid. That is how
politics interferes with good roads.
The men who say that not more
than half the value is received for
gov't. money, are right. In some
cases that percentage of value is
really too high. The good roads
association should take some
notice of the money that is wasted
and endeavor to arrange so that the
expenditure of all money spent
upon the roads should be subject
to the strictest scrutiny. Suppose,
for example, that the highway secretary
was instructed by the gov't. to
have his account typewritten, in
triplicate, and posted in three places
in the parish, showing every
particular of how the money was
spent, who will deny that he would
be very careful how he handled the
government funds? If he knew that
all the people in the parish would
be his financial critics and auditors,
he would want to make the money
go as far as possible and to get the
most value for the road money.

How is it now? There is no
publicity of the accounts of the
highway boards. They are sent to
Fredericton and filed away, the
totals for each district appearing in
the reports of the auditor general
or the public works department.
The highway board glances over the
accounts, after the secretary has
made them up, but in most cases,
they do not bother with what they
consider is his work.

Here are some figures of money
spent by the highway secretaries in
the County of Restigouche. The
reader must not be surprised if he
sees the names of some who were
not highway secretaries last year
in this list. Their accounts are
those in part of the previous year,
submitted in those held over for
payment, after the close of the
fiscal year.

FAREWELL PARTY TO MR. AND MRS. HOPE

Surprise Given at the Manse
on Thursday Evening by
Their Friends

LEAVES FOR CHATHAM

Mr. R. Malcolm Hope, who for
the last seven years, had been
manager of the Bank of New
Brunswick, left this morning for
Chatham, to which place he has
been appointed. Mr. Hope, who
felt his going away keenly, carries
with him the best wishes of every-
one in Campbellton, though his
friends feel his loss very much.

Mr. and Mrs. Hope were enter-
tained to supper last evening at
the Manse, the guests of Rev. Mr.
and Mrs. T. P. Drumm, and later
in the evening a large number of
the church people paid them a sur-
prise visit and took possession of
the Manse.

Mr. John G. MacColl briefly
apologised for his share in the sur-
prise and expressed the sorrow of
St. Andrew's choir at losing such
a staunch member, who ever by
precept and example endeavored to
show the choir the high sense of
duty which ought to be the stand-
ard of every member who wishes
to further the musical service of
the church.

Rev. T. P. Drumm, B. D., on
behalf of the church, read an ad-
dress, extolling their many kind-
nesses to the church in their sever-
al capacities; to Mrs. Hope as
first President of the Helpers'
Union, which had done such good
work in the church, and to Mr.
Hope for his work in the choir, in
St. Andrew's Club and for the
valuable financial advice he had al-
ways tendered them in many ways.
He then asked Mr. and Mrs.
Hope to accept a richly engraved
silver salad bowl and cake basket.
The inscription on the bowl reading:

Presented to
Mr. and Mrs. R. Malcolm Hope
from their friends in
St. Andrew's Church
Campbellton, N. B.
27th February, 1913.

Mr. Hope initially replied, re-
counting his first experiences of
Campbellton, which, although do-
mestic, were much appreciated.
Judge Botkin read the oration,
speaking on the high qualities of
Mr. Hope in relation to duty. He
spoke of the inability to define the
word duty, it standing in a place
by itself and was almost as inde-
finable as the word God. The
consul spoke of the high christian
character and virtues of his young
friends and in regretting their loss
to this community, rejoiced to
think that in following the word
duty they were branching out into
higher and nobler spheres of life.
Mr. W. F. Vorston, Mr. J. M. Mc-
Lean and Mr. D. F. Graham spoke
briefly and after the singing of
"He's a jolly Good Fellow" tea
and refreshments were served by
the ladies. About sixty of the
church friends were present at the
gathering.

CHATHAM HOCKEY TEAM OUTCLASSED

Campbellton Defeats Chatham
in Rough Game on Wed-
nesday Evening

POOR SPORTS

All roads led to the skating rink
on Wednesday evening when the re-
turn match between Chatham and
Campbellton was billed to take
place. The game in Chatham last
week ended in a lucky win for Chat-
ham by 4 to 3, and for the return
match the visitors were strengthen-
ed by the inclusion of two Frederic-
ton players, showing that they were
not at all sure of being able to down
Campbellton for the second time.

The rink was crowded when the
game was started at 8.30, and the
homsters set out to make things
hum. After five minutes pressure
Delaney scored the first goal, and
the horns were set going. The
pace set was a cracker, faster hock-
ey never being seen in the Mari-
time provinces. Ten minutes later
Chatham scored making it one all,
and right from the face off Camp-
bellton set off and rushing the visi-
tors off their feet, Mowat scored the
homesters second goal. Ollie suf-
fered for this receiving illegal chas-
isement from Watting and was
caught in the act of retaliating and
banished to the bench. The visi-
tors forsook ignominious defeat star-
ing them in the face and a lot of
feeling crept into the game, and in
the excitement Chatham were given
a goal by a shot which went in
through the side of the net.

Half time was called with the
score 2 to 2.
Immediately after the resumption
Campbellton started to make rings
round the visitors and literally wip-
ed the floor with them, scoring
three goals in rapid succession.
This was not at all to the liking
of the visitors but they received a little
comfort in being gifted a goal a
long shot glancing of McLatches
head into the net.

The game had been gradually get-
ting rougher and after Campbellton
had again scored Watting started a
rough house.

Fraser was sailing in when Wat-
ting cross checked him hard across
the chest. The sturdy rover took a
minute or two to come round but
unlike Jim Jeffries he was able to
come back and give Watting a
heavy body check sending him
crashing on to the goal nets amid
the hilarious delight of the specta-
tors.

Watting sore at getting as much
or more than he gave dropped his
stick after making a pass at Fraser,
and started with his fists.
The referees being unable to cope
with the disturbance Chief Hughes
took a hand in the melee, and the
ice was soon the centre of a gesticu-
lating mob. At eleven minutes to
go Chatham withdrew and refused to
finish the game much to the disgust
of the spectators.

They were roundly and soundly
beaten and showed poor sportsman-
ship in refusing to continue the
game when defeat stared them in
the face.

The game was too fast for amateur
referees, and perhaps if a profession-
al tooter of the whistle had been on
hand, the hot-headed ones would
have been held in check. Still that
is no excuse for the action of the
visitors, who have left a poor im-
pression here and have worthily up-
held their reputation as being
"cheap sports". They were up
against an aggregation of stick
handlers who are second to none in
amateur circles, the exhibition by
the Campbellton boys being worthy
of a professional league team.

Chatham as a force in sport of
any kind are "down and out."

BUDGET DAY IN THE HOUSE OF ASSEMBLY

Provincial Secretary Gives
Details of Estimated Re-
ceipts and Expenditures

PREMIER'S SALARY

(Special to the Graphic.)
In the House of Assembly yester-
day the Hon. Mr. McLeod
introduced the Budget for the cur-
rent year. In his address he
showed that the province had a
surplus of \$8672.79 in last years
operations, while \$113,091.78 had
been placed to a sinking fund for
the reduction of the public debt.
This is the largest amount in the
history of the province.

The increase in permanent debt
was \$44,529.00 which the provin-
cial secretary states was the small-
est in many years. The outstand-
ing features of the Budget speech
included an announcement of an
additional grant of \$3000 to the
University of New Brunswick, and
the promise that legislation would
be introduced to further reduce the
cost of probating small estates.

Announcement was also made
of an additional emolument of
\$2400 annually to go with the
office of premier.

The estimated receipts for 1913
are \$1,408,576.16 which are the
highest on record and the estimat-
ed expenditures \$1,400,518.74.
